

Bok Choy Fried Rice

with Butternut Squash and Sriracha

This hearty winter fried rice is packed with seasonal vegetables like bok choy and sweet butternut squash. Peas and carrots add sweetness to the dish, which is seasoned with sesame and soy, and topped with perfectly fried eggs. A drizzle of Sriracha gives a hit of spice to this fabulously comforting meal.

1. Cook Rice

Preheat oven to 450°F. In a small pot, combine **rice**, **1¼ cups water**, and **¼ teaspoon salt** and bring to a boil over high heat. Reduce heat to medium low, cover, and simmer until water is fully evaporated, 10-12 minutes (see Recipe Tip). Remove pot from heat and let stand, still covered, for 10 minutes. Fluff rice with a fork, then set aside uncovered.

2. Prepare Ingredients

While rice cooks, peel **onion** and cut into small dice. Mince **garlic**. Trim and discard skin of **ginger** and mince. Rinse **bok choy** and thinly slice crosswise, keeping bulbs and leaves separate. Quarter **squash** cubes. Roughly chop **cashews**.

3. Roast Squash

On a baking sheet, toss **squash** with **1 tablespoon canola oil**, **½ teaspoon salt** and **pepper** as desired. Arrange in a single layer and roast, flipping halfway through, until lightly browned and tender, about 12 minutes total.

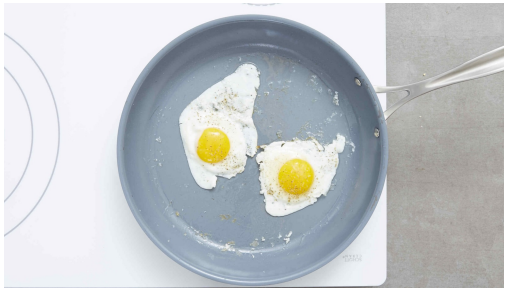

4. Cook Vegetables

While squash roasts, heat **sesame oil** in a large high-sided pan over medium heat. When oil is shimmering add **onion**, **garlic**, and **ginger**. Cook until onion is translucent, about 3 minutes. Add **carrots** and **bok choy bulbs** and cook until tender, about 3 minutes. Remove pan from heat until rice is done cooking.

5. Season Rice

Return pan with vegetables to medium-high heat. When vegetables are sizzling, add **soy sauce** and **rice** and stir to coat. Press rice down into a single layer and cook, without moving, until golden on bottom, 3-4 minutes. Add **bok choy leaves** and stir to combine. Cook until soy sauce is fully absorbed and bok choy leaves have wilted, about 3 minutes more. Remove from heat and stir in **peas** and **squash**. Divide **fried rice** between serving bowls.

6. Fry Eggs and Plate

Heat **1 tablespoon canola oil** in a medium nonstick pan over medium heat. When oil is shimmering, crack **2 eggs** into pan. Season with **¼ teaspoon salt** and **pepper** as desired. Fry until whites are set but yolks are still runny, 2-3 minutes. Top **bok choy fried rice** with **fried eggs**. Garnish with **cashews** and drizzle over **Sriracha** (or skip it if you don't want heat). Dig in!
