Thai Beef Lettuce Wraps

with Basil Rice

We love flavoring rice with fresh herbs, just about as much as we enjoy riffing on classic Asian lettuce cups. For tonight's repeat favorite wraps, chopped basil is stirred into steamy jasmine rice to release a truly mouthwatering aroma. Topped with saucy beef, water chestnuts, and peanuts, the basil rice soaks up every last drop of flavor for a hands-on dinner experience you won't soon forget.

30-40 minutes 710 calories per serving

Plated.

Ingredients

½ cup jasmine rice
½ ounce ginger
3 tablespoons roasted salted peanuts
¼ cup water chestnuts
½ ounce basil
⅛ ounce cilantro
1 clove garlic
1 head butter lettuce
12 ounces ground beef
1 packet soy sauce
2 packets hoisin sauce
1 teaspoon light brown sugar
1 packet Sriracha

You'll Need

1 tablespoon canola oil
1 cup water
kosher salt
black pepper
6" small pot with lid
10" medium pan

Recipe Tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

When cooking rice, exact timing is crucial, as is keeping it covered—no peeking!

Using a slotted spoon will drain off any excess fat from the beef so it stays in the pan, not in your lettuce wraps.

USDA recommends cooking ground beef to 160°F.

1. Cook Rice

In a small pot, combine **rice**, **1 cup water**, and **¼ teaspoon salt** and bring to a boil over high heat. Reduce heat to medium low, cover, and simmer until water is fully evaporated, 10-12 minutes (see Recipe Tip). Remove pot from heat and let stand, still covered, for 10 minutes. Fluff **rice** with a fork, then cover to keep warm until ready to serve.

2. Prepare Ingredients

While rice cooks, trim and discard skin of **ginger** and mince. Roughly chop **peanuts**. Roughly chop **water chestnuts**. Rinse remaining produce. Roughly chop **basil** and **cilantro** leaves, discarding stems and keeping herbs separate. Mince **garlic**. Pat **lettuce** dry with paper towel, pull off 6 large leaves for wraps, and divide between serving plates (snack on any remainder, or double up your wraps!).

3. Sauté Aromatics

Heat **1 tablespoon canola oil** in a medium pan over medium-high heat. When oil is shimmering, add **ginger** and **garlic** and sauté, stirring, until fragrant, about 1 minute. Remove pan from heat.

4. Brown Beef and Make Sauce

Pat **beef** dry with paper towel. Return pan with aromatics to medium-high heat and add **soy sauce** and **beef**. Season with **¼ teaspoon salt** and **pepper** as desired and cook, breaking up meat, until browned, about 5 minutes. Meanwhile, in a large bowl, whisk together **hoisin sauce**, **brown sugar**, and **Sriracha** (it's a bit spicy—skip or use half for less heat).

5. Season Beef

Using a slotted spoon, transfer browned **beef** to bowl with sauce (see Recipe Tip). Stir in **water chestnuts** and **cilantro** to combine. Taste and season with **⅛ teaspoon salt** and **pepper** as desired.

6. Plate Thai Lettuce Wraps

Stir **basil** into pot with rice. Top **lettuce wraps** with **basil rice**, then spoon over **beef**. Garnish with **peanuts** and dig in!
