Blue Cheese Burgers

with Caramelized Onions, Cranberries, and Brussels Sprouts

In our opinion, burgers are always better with cheese. Instead of melting over the patties, we fold blue cheese into the beef mixture for a bit of melty goodness in every bite. We top them with caramelized onions laced with tart-sweet dried cranberries—a perfect match for the slightly funky cheese—then layer on toasted brioche buns spread with whole-grain mustard.

Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

Adding water to the pan with the onions slows down cooking so they become caramelized and tender without burning.

Burger patties tend to puff up when cooked. Creating a shallow dimple in the center of each helps them cook evenly and keep their shape.

USDA recommends cooking ground beef to 160°F.

1. Prepare ingredients

Preheat oven to 425°F. Rinse all produce. On a baking sheet, toss **Brussels sprouts** with **1½ tablespoons olive oil**, **½ teaspoon salt**, and **pepper** as desired. Arrange in a single layer; roast until golden and crisp, 10–12 minutes. Then, transfer **roasted Brussels sprouts** to a large bowl, reserving sheet for Step 5. Meanwhile, roughly chop **half of dried cranberries**; leave **remainder** whole. Peel **onions**, halve, and thinly slice. Mince **garlic**.

2. Caramelize onions

Heat **1 tablespoon olive oil** in a large pan over medium-high heat. When oil is shimmering, add **onions**; cook, stirring frequently, until softened, about 7 minutes. Add **chopped cranberries** and **⅓ cup water** (see recipe tip). Reduce heat to medium and cook, stirring, until golden and very soft, 4–6 minutes more. Season with **¼ teaspoon salt** and **pepper**, then transfer to a plate. Reserve pan, off heat, for Step 4.

3. Form burger patties

While onions caramelize, in a separate large bowl, combine **blue cheese**, **garlic**, **1 teaspoon salt**, and **pepper** as desired. Pat **beef** dry with paper towel and add to bowl. Using your hands, mix well, then form into 4 equal patties, about 1-inch thick. Using your thumb, create a dimple on top of each (see recipe tip).

4. Sear blue cheese burgers

Wipe pan from onions clean and place over medium-high heat with **1 teaspoon olive oil**. When oil is shimmering, add **burgers** and sear, without flipping, until browned on bottom, about 4 minutes. Flip and continue searing until browned and medium rare, 3–4 minutes more. Remove pan from heat. Transfer **blue cheese burgers** to a plate, cover with foil to keep warm, and set aside to rest.

5. Toast buns and make salad

Slice **buns** open horizontally, if they arrived whole. Wipe sheet from Brussels sprouts clean, then place **buns** cut-side up on sheet. Toast until light golden, about 4 minutes. Meanwhile, to bowl with roasted Brussels sprouts, add **balsamic glaze**, **¼ cup olive oil**, **½ teaspoon salt**, and **pepper** as desired. Pat **arugula** dry with paper towel and add to bowl, then add **remaining cranberries**, and toss to combine.

6. Plate blue cheese burgers

Spread **mustard** over cut sides of **buns** and divide among serving plates. Layer with **blue cheese burgers** and **caramelized onions and cranberries**. Serve with **Brussels sprout salad** and enjoy!
