Recipe Tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

Slicing carrots on the diagonal ensures that they will cook through completely and evenly. Don't stress if your slices aren't exactly the same, though, they'll still be delicious.

Burrata is delicate, so be sure to handle it gently. Discard only the watery liquid from the container—not cheese solids.

1. Prepare Ingredients

Preheat oven to 425°F. Rinse **carrots** and pat very dry with a paper towel. Cut crosswise on a diagonal into ½-inch slices (see Recipe Tip). Rinse **arugula**. Peel **blood oranges** and cut into ½-inch rounds. Roughly chop **walnuts**.

2. Roast Carrots

On a foil-lined baking sheet, toss **carrots** with **chili powder**, **1 tablespoon olive oil**, **½ teaspoon salt** and **pepper** as desired. Arrange cut-side down in a single layer and roast until golden and tender, 16-18 minutes.

3. Cook Quinoa

While carrots roast, in a small pot, combine **quinoa**, **1⅓ cups water**, and **¼ teaspoon salt**. Bring to a boil over high heat, then reduce heat to medium low, cover, and simmer until water is evaporated and quinoa is tender, about 15 minutes. Remove pot from heat and set aside, still covered.

4. Make Vinaigrette

While quinoa cooks, in a large bowl, whisk together **balsamic vinegar**, **mustard**, and **1 teaspoon maple syrup**. Whisking continuously, slowly add **3 tablespoons olive oil** until fully combined. Season with **¼ teaspoon salt** and **pepper** as desired. Set aside **2 tablespoons vinaigrette** in a small bowl for serving.

5. Season Quinoa and Carrots

Add **arugula** and **walnuts** to large bowl with vinaigrette and toss to coat. Add **quinoa** to bowl and stir to slightly wilt arugula. Once **carrots** are roasted, drizzle over **½ tablespoon maple syrup**, and toss to coat. Discard remaining maple syrup or save for pancakes.

6. Plate Carrots

Divide **arugula and quinoa** between serving bowls and layer **roasted carrots** and **blood oranges** on top. Remove **burrata** from container, discarding excess liquid (see Recipe Tip). Tear into bite-size pieces and dot over salad. Drizzle **reserved vinaigrette** over everything and dig in!
