

Roasted Cod

with Coconut Curry Rice

We love the combination of aromatic spices, velvety sauces, and fluffy rice in Indian cuisine, and tonight's meal has it all. Basmati rice is cooked in coconut milk with tikka masala curry paste, ginger, onion, and lime juice until thick and creamy. It's tossed with spinach and tender flakes of roasted cod, then garnished with cilantro, toasted coconut, and lime wedges for squeezing over.

Cooking Steps

Prepare ingredients
Preheat oven to 425ºF. Rinse all produce. Roughly chop **cilantro** leaves and stems. Trim and discard skin of **ginger**, then halve. Halve **lime**; cut **1 half** into wedges for serving. Peel **onion** and cut into small dice.

Sauté aromatics
Heat **2 teaspoons olive oil** in a medium pot over medium-high heat. When oil is shimmering, add **onion** and sauté, stirring, until soft and translucent, about 3 minutes. Add **rice**, **curry paste**, **ginger pieces**, **¾ teaspoon salt**, and **pepper** as desired. Sauté, stirring continuously to prevent burning, until fragrant, about 2 minutes more. Stir in **juice of ½ lime**.

Cook coconut curry rice
Open **coconut milk** and add to pot with rice, along with **1 cup water**; bring to a boil over high heat. Stir once, reduce heat to medium low, and cover pot. Simmer until most of the liquid has been absorbed and rice is thickened and silky, 10-12 minutes (move on to Step 4—but don't forget to come back!). Remove pot from heat and let stand, still covered, for 5 minutes. Add **spinach** to pot with rice and stir to combine.

Roast cod
While rice cooks, line a baking sheet with foil. Pat **cod** dry with paper towel and place on prepared baking sheet. Rub **cod** all over with **2 teaspoons olive oil**, **½ teaspoon salt**, and **pepper** as desired. Roast until cod is opaque and cooked through, about 7 minutes.

Toast coconut flakes
While cod roasts, place **coconut flakes** in a medium nonstick pan over medium heat. Toast, stirring frequently to prevent burning, until golden, about 5 minutes. Transfer to a small bowl for the next step.

Plate cod and rice
Remove and discard **ginger pieces** from pot with rice. Using a fork, flake **roasted cod** into large pieces, then add to pot with **coconut curry rice**. Stir to combine, then divide between serving bowls. Garnish with **cilantro** and **toasted coconut**, and serve with **lime wedges** for squeezing over. Dig in!
