Brown Butter Quinoa and White Bean Salad

with Candied Walnuts and Brie

We're putting brown butter in everything these days. Cooked until nutty and fragrant, it adds a luxury factor to everything it touches. Here, the butter stands in for oil as the base for a simple Champagne vinaigrette. We add white beans and shallot, then toss with quinoa, crisp red endive, spinach, and chunks of creamy Brie. Top off with candied walnuts for a salad that looks and feels extra special.

MEALS WORTH MAKING

Ingredients

- 2 rounds Brie cheese
- ½ cup quinoa
- 2 heads red endive
- 1 can white beans
- 1 shallot
- 2 tablespoons Champagne vinegar
- ¼ cup walnuts
- 2 packets turbinado sugar
- 3 packets unsalted butter
- 3 ounces baby spinach

You'll need

kosher salt
black pepper
6" small pot with lid
8" small nonstick pan

Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

Brie becomes very soft at room temperature. Place in the refrigerator to make it easier to slice in Step 5.

We love a generous amount of black pepper here for a slight kick that contrasts the candied walnuts and rich Brie. Feel free to use as much as desired.

Brown butter is easy to make, but does require paying attention so it doesn't burn. Swirl the pan around or stir often.

1. Cook quinoa

Unwrap **Brie**, place on a plate, and refrigerate until Step 5 (see recipe tip). In a small pot, combine **quinoa**, **1 cup water**, and **¼ teaspoon salt**. Bring to a boil over high heat, then reduce heat to medium low, cover pot, and simmer until water is absorbed and quinoa is tender, about 15 minutes. Remove pot from heat and let stand, still covered, for 10 minutes.

2. Prepare ingredients

While quinoa cooks, rinse all produce. Halve **endives** lengthwise, then cut cores out in a wedge shape and discard. Thinly slice **endives** crosswise. Drain and rinse **white beans** and place in a large bowl (big enough for the salad). Peel **shallot** and mince enough to yield 2 tablespoons (save remainder for another recipe). Add to bowl with white beans, along with **Champagne vinegar** and **¼ teaspoon salt**, and toss to combine.

3. Make candied walnuts

Place **walnuts** in a small nonstick pan over medium-high heat. Toast, stirring, until light golden, 1–2 minutes. Add **sugar** and cook, stirring frequently, until sugar begins to melt and cling to walnuts, 2–3 minutes more. Season with **⅛ teaspoon salt** and **pepper** as desired (see recipe tip) and cook, stirring vigorously, 30 seconds more. Remove pan from heat. Transfer **walnuts** to a plate; rinse pan and wipe clean for the next step.

4. Make brown butter

Return pan from walnuts to medium-high heat with **butter**. Swirl pan occasionally until butter turns golden and fragrant, 4–6 minutes (see recipe tip). Remove pan from heat and season with **¼ teaspoon salt** and **pepper** as desired. Let cool 1–2 minutes, then add to bowl with white beans and toss to combine.

5. Finish quinoa salad

Cut each **Brie round** into 8 wedges. Pat **spinach** dry with paper towel. To bowl with white beans, add **quinoa** and toss to coat. Add **endive**, **spinach**, and **half of Brie** and toss to combine.

6. Plate quinoa salad

Divide **quinoa and white bean salad** between serving bowls. Garnish with **candied walnuts** and **remaining Brie**. Dig in!
