Butternut Squash Tostadas

with Crispy Mushrooms and Cabbage-Carrot Slaw

Roasting mushrooms in a smoky-salty spice mix is one of our favorite ways to replicate the flavors and textures of a typically meat-centric dish. This repeat recipe pairs crispy mushrooms with Cheddar-mashed butternut squash, the delicious spread that holds all the *tostada* toppers in place. We use pan-fried corn tortillas as the crispy base for this Mexican favorite, and add a lime-laced slaw for some cool crunch.

1. Prepare ingredients

Preheat oven to 450°F. Meanwhile, wipe **mushrooms** clean with a damp paper towel (they won't brown well if they're too wet), then cut into ¼-inch slices. Rinse **cilantro** and roughly chop leaves, discarding stems. Halve **lime**. Rinse **scallions**, trim and discard roots, and thinly slice. Mince **garlic**.

2. Roast mushrooms

Place **squash** in a medium pot and cover with cold water by 1 inch. Season generously with **salt** and bring to a boil over high heat. Meanwhile, in a medium bowl, whisk together **spice mix** and **1½ tablespoons canola oil**, then add **mushrooms** and toss to coat. Arrange on a baking sheet in a single layer and roast until browned and crispy, 13–15 minutes.

3. Boil and mash squash

Once water comes to a boil, cook **squash** until tender when pierced with a knife tip, 8–10 minutes (move on to Step 4, but don't forget to come back!). Drain and return to pot, off heat. Using a large fork or potato masher, mash until smooth, then stir in **Cheddar** to melt. Season with **salt** and **pepper** as desired, then set aside until Step 6.

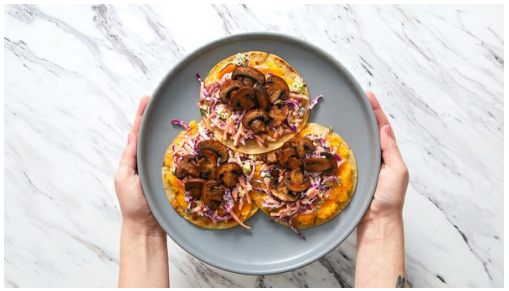

4. Make slaw

While squash cooks, in a large bowl, whisk together **mayonnaise**, **sour cream**, **cilantro**, **garlic**, **juice of ½ lime**, **¼ teaspoon salt**, and **pepper** as desired to fully combine (use remaining lime for a cocktail—you deserve it!). Add **slaw mix** and **scallions**, toss to coat, and set aside to marinate until ready to serve.

5. Fry tortillas

Heat **2 tablespoons canola oil** in a large pan over medium-high heat (see recipe tip). When oil is shimmering, add **tortillas** in a single layer and fry, working in batches and adding oil as needed, until browned on bottom, 1–2 minutes. Flip **tortillas**, sprinkle over **Monterey Jack**, and continue frying until cheese is melted and tortillas are golden and crisp, 1–2 minutes more. Transfer **tostadas** to a paper towel–lined plate to drain.

6. Plate tostadas

Divide **tostadas** between serving plates and spread over mashed **butternut squash**. Top with a handful of **cabbage-carrot slaw** and **crispy mushrooms**, serving any **remaining slaw** on the side. Dig in!
