Beef Shakshuka with Pita, Bell Pepper, and Feta

Chef Giuseppe takes our beloved shakshuka (a Middle Eastern dish of eggs baked in tomato sauce) to new heights of deliciousness. He starts with beef browned in warming *baharat* seasoning (a blend of cumin, coriander, cardamom, and paprika), then nestles in the eggs so they poach right in the sauce. Toasted pita is ideal for tearing and scooping.

Questions?

Main Ingredients

- 2 red bell peppers
- 1/8 ounce parsley
- 2 yellow onions
- 1 1/2 pounds ground beef
- 1 teaspoon baharat spice
- 29 ounces crushed tomatoes
- 4 pita breads
- 2 ounces crumbled feta cheese
- olive oil
- 4 eggs
- kosher salt
- black pepper

Cooking Instructions

Step 1

Preheat oven to 450°F. Rinse all produce. Halve **bell peppers** lengthwise, discarding seeds and stems; cut into .25-inch pieces. Roughly chop **parsley** leaves and stems, keeping separate (the stems of parsley are actually quite tender, so we've kept them for extra flavor and aroma in the sauce). Peel **onions**, halve, and thinly slice.

Step 2

Pat **beef** dry with paper towel. Heat **1 tablespoon olive oil** in a large ovenproof pan over medium-high heat. When oil is shimmering, add **bell peppers** and **onions** and sauté, stirring, until begining to soften, about 5 minutes. Stir in **baharat**, **parsley stems**, **1 teaspoon salt**, and **black pepper** as desired. Add **beef** and cook, breaking up, until browned, 6-8 minutes.

Step 3

To pan with beef, still over medium-high heat, add **crushed tomatoes**. Cook, stirring, until liquid is slightly reduced and flavors have melded, 3-5 minutes. Meanwhile, stack **pitas** and wrap loosely in foil, leaving a small opening in pouch for steam to escape—this is a great task for a helper. Once reduced, remove pan with sauce from heat and stir in **half of feta**. Taste and add **salt** and **black pepper** as desired.

Step 4

Create 4 small, evenly spaced pockets in sauce, still off heat. Crack **1 egg** into each pocket, nestling into sauce, and season with **a pinch of salt** and **black pepper** as desired (see recipe tip).

Step 5

Transfer **shakshuka** to oven, along with **pita**, and bake until egg whites are just set and pita is warmed through, 6-8 minutes. (P.S. This is a great time to set the table.)

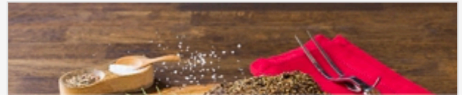

Step 6

Divide **beef shakshuka** among serving bowls, or bring the pan to the table and serve family-style. Garnish with **parsley leaves** and **remaining feta** (or let a helper do this part). Tear **pita** into large pieces and serve with shakshuka. Enjoy!

All recipe ingredients should be cooked to a safe internal temperature according to USDA guidelines. After preparing a recipe, please store any leftovers in the refrigerator.
