Turkey Burrito Bowls

with Avocado, Queso Fresco, and Jalapeño-Lime Slaw

Spicy, smoky, and a little bit sweet, chorizo has it all. For this Popular Recipe, we're channeling all the flavors of the rich pork sausage (read: spices like ancho chile, paprika, garlic, and oregano) into ground turkey for a lighter texture. Your dinner date might not even taste the difference.

- 2 ounces queso fresco

You'll need

olive oil
kosher salt
black pepper
8" medium pot with lid
10" medium pan

Recipe tips

Be sure to read through the entire recipe before you begin cooking.

Always wash your knife, board, and hands after cutting spicy chiles.

Save the remaining queso fresco for another recipe—try it as a topping for scrambled eggs.

USDA recommends cooking ground turkey to 160°F.

1. Prepare ingredients

Bring a medium pot of water to a boil over high heat. Rinse all produce. Roughly chop **cilantro** leaves, discarding stems. Halve **lime**. Mince **garlic**. Halve **jalapeño** lengthwise; using a knife tip, discard seeds and stem. Mince **up to half of jalapeño** (see recipe tip); save remander for another use (we love it in guacamole!).

2. Cook brown rice

Season boiling water generously with **salt** (the amount of water isn't indicated because you'll drain the rice, just like pasta, when it's finished cooking). Stir in **brown rice** and cook until tender, 22–25 minutes. Drain and return to pot, off heat, then add **half of cilantro** and **1 squeeze lime juice** and stir to combine. Cover to keep warm until ready to serve.

3. Season turkey

While rice cooks, in a large bowl, combine **spice mix**, **apple cider vinegar**, **half of garlic**, **½ teaspoon salt**, and **pepper** as desired, then add **turkey**. Using your hands, mix well.

4. Brown turkey

Heat **½ tablespoon olive oil** in a medium pan over medium-high heat. When oil is shimmering, add **turkey** and cook, breaking up, until browned, about 5 minutes.

5. Make slaw

While turkey browns, in a medium bowl, stir together **sour cream**, **juice of ½ lime** (or use less, as desired), **remaining garlic**, and **½ teaspoon water** to fully combine. To bowl with dressing, add **slaw mix**, **minced jalapeño** (skip or use less for milder heat), **½ teaspoon salt**, and **pepper** and toss to coat. Halve **avocado** and discard pit; carefully scoop out flesh, discarding skin, then thinly slice.

6. Plate turkey burrito bowls

Divide **brown rice** between serving bowls, then top with **jalapeño-lime slaw**, **turkey**, and **avocado**. Sprinkle over **half of queso fresco** (see recipe tip) and garnish with **remaining cilantro**. Dig in!
