with Ricotta and Spiced Honey

Infusing honey with Thai chile creates a perfectly spicy-sweet condiment that takes this late summer zucchini pizza to the next level. Cherry tomatoes, herbs, and three varieties of Italian cheese add even more depth to the dish, which will definitely become a fast favorite.

When you roll it out, pizza dough tends to shrink back. Keep going even if it does, being sure to apply pressure consistently. Frequently rotating it will help achieve an even shape. If you have trouble, let it temper at room temperature for 5 minutes before continuing.

1. Prepare Ingredients

Preheat oven to 450°F. Rinse all produce. Cut **zucchini** into ⅛-inch slices. Halve **tomatoes**. Finely chop **oregano** leaves, discarding stems. Roughly tear **basil** leaves, discarding stems.

2. Roll Out Dough

Line baking sheet with parchment paper and rub paper with **1 teaspoon olive oil**. Sprinkle **flour** onto a clean dry surface. Using a rolling pin or the heels of your hands, roll and stretch **pizza dough** into a rectangular shape, about ¼-inch thick (see Recipe Tip). Carefully transfer to parchment-lined baking sheet.

3. Assemble Pizza

Drizzle **1 tablespoon olive oil** over dough and rub in to coat. Arrange **zucchini** and **tomatoes** in an even layer over dough, leaving a ½-inch border around the edges. Drizzle over another **1 tablespoon olive oil**, then sprinkle over **oregano**. Season with **½ teaspoon salt** and **pepper** as desired. Sprinkle over **mozzarella** and **ricotta salata**.

4. Bake Pizza

Transfer **pizza** to bottom rack of oven and bake until crust is crisp and light golden and cheese is bubbling, 15-18 minutes.

5. Make Spiced Honey

While pizza bakes, in a small pot over medium heat, combine **honey** and whole **Thai chile**. Cook until honey is warmed through and runny, about 3 minutes. Remove pot from heat and remove and discard chile from honey.

6. Plate Pizza

Dot pizza with **ricotta**, drizzle over **spiced honey**, then sprinkle over **basil**. Cut **pizza** into slices and serve. Store any leftovers refrigerated in an airtight container for up to 3 days.
