White Bean, Kale, and Fregola Salad

with Candied Almonds

This summer salad is made with fregola—a toasted, spherical pasta from Sardinia—and tossed with hearty kale, marinated white beans, juicy grapes, and salty feta. It's topped off with addictive allspice-candied almonds. The thing about kale salad is that it makes for a great picnic or potluck meal—the longer it sits, the more flavor it absorbs. Keep the candied almonds on the side until ready to serve, to preserve the crunch.

- ¾ cup fregola
- 3 tablespoons sliced almonds

8" small nonstick pan

Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

Raw kale can be tough, so it requires a bit of TLC. If you have an extra pair of hands in the kitchen tonight, they can help **massage the kale** in Step 1 to soften them up and **mix the salad** in Step 5.

Though fregola is shaped like a grain, it's actually a pasta, and should be cooked like other noodles. The amount of water isn't indicated because you'll drain the fregola when it's finished cooking.

1. Prepare ingredients

Bring a medium pot of water to a boil over high heat. Drain and rinse **white beans**. Rinse all produce. Halve **lemon**. Halve **grapes** lengthwise. Pat **kale** dry with paper towel, then thinly slice leaves, discarding stems. Using your hands, massage **kale** until beginning to soften, 1–2 minutes (see recipe tip). Peel **shallot** and mince enough to yield 3 tablespoons (save remainder for another recipe).

2. Marinate white beans

In a large bowl, combine **white beans**, **juice of 1 lemon**, **shallot**, and **¼ teaspoon salt**. Toss to combine, then set aside to marinate until Step 5.

3. Cook fregola

Season boiling water generously with **salt**. Stir in **fregola** and cook until tender, 9–10 minutes. Drain and return to pot, off heat (see recipe tip).

4. Make candied almonds

While fregola cooks, place **almonds** in a small nonstick pan over medium heat. Toast, stirring constantly, until light golden, 2-3-minutes. Add **brown sugar** and cook, stirring, until sugar begins to melt and cling to almonds, 2–3 minutes. Add **allspice** and **⅛ teaspoon salt**; cook, stirring vigorously, until fragrant, 1 minute more. Remove pan from heat. Transfer **candied almonds** to a plate to cool.

5. Assemble salad

To bowl with marinated beans, add **¼ cup olive oil** and season with **pepper** as desired. Gently toss to combine. Once cooked, add **fregola** to bowl with **marinated beans**, along with **kale** and **grapes**. Crumble over **half of feta** and toss to combine.

6. Plate salad

Divide **white bean, kale, and fregola salad** among serving plates. Crumble over **remaining feta** and garnish with **candied almonds**. Enjoy!
