Thyme-Roasted Halibut

with Meyer Lemon, Brown Butter, and Potatoes

Meyer lemon is a citrus fruit native to China. With a smooth, thin skin and deep yellow color, it's less acidic and more floral than other lemons. In tonight's dinner, we're using it three ways to unify the dish and maximize flavor. We squeeze some into a dressing for arugula, roast thin slices atop halibut fillets, and use the remainder in a decadent brown butter sauce for the fish.

Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

Brown butter is easy to make, but does require paying attention so it doesn't burn. If possible, use a light-colored pot so you can see the color change as it cooks. Swirl the pot around or stir often, keeping the lemon half cut-side down so it gets a smoky char.

You can discard the roasted lemon slices, or feel free to use as a garnish —we love their pretty presentation.

USDA recommends cooking fish to 145°F.

1. Prepare ingredients

Preheat oven to 425°F. Line 2 baking sheets with foil. Rinse all produce. Pat **arugula** dry with paper towel. Strip **thyme** leaves, discarding stems (pinch each stem near the top with 1 hand, then slide the fingers of your other hand down the length of the stem, from top to bottom). Cut **potatoes** into ½-inch pieces. Peel **shallot** and thinly slice into rings.

2. Roast potatoes and shallot

On 1 prepared baking sheet, toss **potatoes** and **shallot** with **1½ tablespoons olive oil**, **½ teaspoon salt**, and **pepper** as desired. Arrange in a single layer, spacing apart; roast until tender and golden, 20–22 minutes.

3. Make Meyer lemon dressing

While potatoes roast, thinly slice **half of lemon** into rounds for the next step. In a large bowl, whisk together **1 squeeze lemon juice** (reserve squeezed lemon half for Step 5), **1 tablespoon olive oil**, **¼ teaspoon salt**, and **pepper** as desired. Set **dressing** aside for Step 6.

4. Roast halibut

Arrange **lemon rounds** in center of other prepared baking sheet, overlapping slightly. Pat **halibut** dry with paper towel and place on top of lemon slices. Drizzle over **2 teaspoons olive oil**, then season all over with **thyme**, **½ teaspoon salt**, and **pepper** as desired. Roast **halibut** (with potatoes) until opaque and cooked through, 5–6 minutes.

5. Make lemon brown butter

While halibut roasts, heat **butter** in a small pot over medium-high heat. When butter is foamy, carefully add **reserved lemon half**, cut-side down. Swirl pot occasionally until butter turns golden and fragrant and lemon is charred, 4–6 minutes (see recipe tip). Remove pot from heat; season with **¼ teaspoon salt** and **pepper** as desired.

6. Plate thyme-roasted halibut

Add **arugula** to bowl with dressing; toss to coat, then divide between serving plates. Top with **roasted potatoes and shallot**, then **thyme-roasted halibut** (see recipe tip). Spoon over **lemon brown butter**, then squeeze over **charred Meyer lemon**, if desired. Enjoy!
