Herb-Roasted Carrot and Zucchini Tarts with Ricotta

These gorgeous vegetable tarts are made especially easy for any night of the week, thanks to our assemble-at-the-end technique. Squares of puff pastry bake until golden and crisp while zucchini and carrots roast until tender. We slather a roasted garlic ricotta over the pastry, then top with the roasted vegetables, dill, and parsley. It's easy, impressive, and a fantastic way to enjoy peak-season summer produce.

Main Ingredients

- 22 4/5 grams unsalted butter
- 12 ounces baby carrots
- 12 ounces zucchini
- 1 lemon
- 1 red onion
- 2 cloves garlic
- 1/8 ounce thyme
- 4 5-inch squares puff pastries
- 1/4 ounce dill
- 1/4 ounce parsley
- 8 ounces mixed lettuces
- 8 ounces ricotta cheese
- 1/2 ounce honey
- 1 parchment paper
- olive oil
- kosher salt
- black pepper

Cooking Instructions

Step 1

Preheat oven to 425°F. Unwrap **butter** and set aside to soften at room temperature until Step 5. Rinse all produce. Halve **carrots** lengthwise. Cut **zucchini** crosswise into .5-inch rounds, discarding ends. Halve **lemon**. Peel **onion**, halve, and cut into .25-inch slices.

Step 2

On a baking sheet, toss **whole garlic cloves**, **whole thyme sprigs**, **carrots**, **zucchini**, and **onion** with **1.5 tablespoons olive oil**, **.75 teaspoon salt**, and **pepper** as desired. Arrange in a single layer and roast until vegetables are tender and slightly charred, 16-18 minutes.

Step 3

While vegetables roast, line a separate baking sheet with **parchment paper**. Add **puff pastry** squares in a single layer and prick all over with a fork, leaving a 1-inch border—this is a great task for a kitchen helper (see recipe tip). Bake with vegetables until puffed and golden brown, 13-15 minutes.

Step 4

While puff pastry bakes, pick **dill** and **parsley** leaves, discarding stems. In a large bowl, whisk together **juice of 1 lemon**, **3 tablespoons olive oil**, **.25 teaspoon salt**, and **pepper** as desired. Pat **mixed lettuces** dry with paper towel and add to bowl with dressing, waiting to toss until ready to serve.

Step 5

Once vegetables are roasted, remove and discard **whole thyme sprigs** (see recipe tip). Transfer **whole garlic cloves** to a small bowl and mash with a fork until a paste forms, then stir in **ricotta**, **.25 teaspoon salt**, and **pepper** as desired (a helper can do this part). To sheet with vegetables, add **honey**, **softened butter**, **dill**, and **parsley** and toss to combine.

Step 6

Once baked, transfer **puff pastry** squares to serving plates. Spread **ricotta** over squares. Taste and season **roasted carrots and zucchini** with **salt** and **pepper** as desired, then add to squares. Toss **salad** and serve with **tarts**. Dig in!

All recipe ingredients should be cooked to a safe internal temperature according to USDA guidelines. After preparing a recipe, please store any leftovers in the refrigerator.
