Italian Steak Salad with Pepperoncini and Roasted Tomatoes

After visiting many a local pizza joint, Chef Michelle's got a soft spot for those classic Italian-American salads in the *antipasto* section of the menu. Here, she's taking them to the next level, letting all of the colors and flavors shine as a full-on hearty dinner. Crunchy romaine and radicchio are tossed with basil, roasted tomatoes, and seared steak in a tart-sweet sherry vinaigrette. Garnishes of pickled pepperoncini, Castelvetrano olive, and salty Parmesan complete the simple yet stunning flavor balance.

Questions?

Main Ingredients

- 1 clove garlic
- 2 shallots
- 3 tablespoons sherry vinegar
- 1 pint grape tomatoes
- 1/2 cup Castelvetrano olives
- 1/2 ounce basil
- 2 romaine hearts
- 1 radicchio
- 4 steaks
- 2 ounces shaved Parmesan cheese
- 1/2 cup sliced pepperoncini
- 1/2 cup + 1 tablespoon olive oil
- kosher salt
- black pepper

Cooking Instructions

Step 1

Preheat oven to 450°F. Mince **garlic** as finely as possible (see Recipe Tip). Peel **shallot** and cut into small dice to yield 3 tablespoons (see Recipe Tip). Place both in a large bowl, big enough for the salad, and pour over **sherry vinegar**. Set aside to marinate until Step 5.

Step 2

Rinse **tomatoes** and pat very dry with paper towel—remove as much excess moisture as possible to help them roast, instead of steam. On a baking sheet, toss **tomatoes** with **2 tablespoons olive oil**, **.5 teaspoon salt** and **pepper** as desired. Roast until tomatoes are very tender and beginning to blister, about 12 minutes.

Step 3

While tomatoes roast, roughly chop **olives**. Rinse remaining produce. Roughly tear **basil** leaves, discarding stems. Trim and discard tough stem from **romaine**, then cut crosswise into 2-inch pieces. Halve **radicchio** lengthwise, then cut crosswise into 1-inch pieces. (Cutting the lettuces in different sizes creates visual and textural contrast in your salad, but don't worry about it too much—no need to bust out the ruler!)

Step 4

Pat **steaks** dry with paper towel and season all over with **1 teaspoon salt** and **pepper** as desired. Heat **2 tablespoons olive oil** in a large pan over medium-high heat. When oil is shimmering, add **steaks** and sear, working in batches and adding more oil as needed, until browned and medium rare, 4-6 minutes per side. Transfer **steaks** to a plate and set aside to rest for about 5 minutes.

Step 5

While steaks rest, whisk **.25 teaspoon salt** and **pepper** as desired into bowl with garlic, shallot, and vinegar. Whisking continuously, slowly add **.25 cup + 1 tablespoon olive oil** until fully combined.

Step 6

Once **steaks** have rested, find the direction of the grain (muscle fibers) and cut across it, rather than parallel, into .25-inch slices—this ensures tenderness. Add **basil**, **romaine**, **radicchio**, and **roasted tomatoes** to bowl with dressing and toss to coat. Divide **salad** among serving plates and top with **Parmesan**, **pepperoncini**, **olives**, and **steak**. Dig in!

All recipe ingredients should be cooked to a safe internal temperature according to USDA guidelines. After preparing a recipe, please store any leftovers in the refrigerator.
