1. Prepare Ingredients

Halve **limes**. Peel **onion** and cut into small dice. Rinse remaining produce. Cut **tomatoes** into ¼-inch dice. Pick **cilantro** leaves, discarding stems. Rinse **black beans** and add to a medium bowl. Halve **jalapeño** lengthwise and using a knife tip, discard seeds and finely chop as much as desired (see Recipe Tip).

2. Make Burrito Filling

Add **cabbage**, **Monterey Jack**, **corn**, as much **ají amarillo** as desired (it's spicy!), and **1 tablespoon olive oil** to bowl with black beans and stir to combine. Season with **¼ teaspoon salt** and **pepper** as desired.

3. Make Guacamole

Halve **avocado** and discard pit. Using a spoon, carefully scoop out flesh and place in a separate medium bowl, discarding skin. Add as much **hot sauce** as desired, **juice of 1 lime**, and **half of onion**. Using a fork, mash until fully combined. Season with **¼ teaspoon salt** and **pepper** as desired.

4. Assemble and Cook Burritos

Lay **tortillas** on a clean dry surface. Spread **half of guacamole** over tortillas, reserving remainder for serving. Add **burrito filling** in a horizontal line, leaving a 1-inch border. Fold in sides, then roll up tightly away from you to seal. Add seam-side down to a large pan over medium heat, working in batches if needed. Cover and cook until warmed through and cheese is melted, 6-8 minutes.

5. Make Pico de Gallo

While burritos cook, wipe bowl from burrito filling clean. Add **tomatoes**, **jalapeño**, **cilantro**, **juice of remaining lime**, and **remaining onion** and stir to combine. Season with **¼ teaspoon salt** and **pepper** as desired.

6. Plate Burritos

Halve **burritos** on a diagonal and serve with **pico de gallo** and **remaining guacamole**. Dig in!
