Cheeseburger Pretzel Sliders

with Dijon Mustard and Caramelized Onions

This cross between a pretzel and a cheeseburger is the ultimate finger food meets dinner. For tonight's Popular Recipe, we're adding a secret ingredient to mini burger patties (okay, we'll tell you: It's Worcestershire sauce!) and searing them with melty white Cheddar until crispy. They're topped with caramelized onions and sandwiched between fluffy pretzel buns with two types of mustard.

Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

Adding water to the onion may sound strange, but it adds extra moisture and allows it to cook longer, helping it achieve a deeper level of caramelization.

Burger patties tend to puff up when cooked. Creating a shallow dimple in the center of each helps them cook evenly and keep their shape.

USDA recommends cooking ground beef to 160°F.

1. Prepare ingredients

Slice **pretzel buns** open horizontally, if they arrived whole. Rinse **mixed lettuces** and pat dry with paper towel. Rinse **radishes** and thinly slice. Peel **onion**, halve, and thinly slice. Tear each **white Cheddar slice** into 3 pieces. In a small bowl, stir together **Dijon mustard** and **whole-grain mustard** to combine, then set aside until Step 6.

2. Caramelize onion

Heat **butter** in a large pan over medium-high heat. When butter is foamy, add **onion** and **¼ teaspoon salt**. Cook, stirring occasionally, until light brown and softened, about 6 minutes. Add **1 tablespoon water** and reduce heat to medium (see recipe tip). Cook, stirring continuously, until golden brown and soft, 5 minutes more. Transfer **caramelized onion** to a bowl and cover with foil to keep warm. Wipe pan clean for Step 5.

3. Form sliders

While onion cooks, in a large bowl, combine **Worcestershire sauce**, **½ teaspoon salt**, and **pepper** as desired. Pat **beef** dry with paper towel and add to bowl with seasoning. Using your hands, mix well, then form into 6 equal patties, about 1½ inches thick. Using your thumb, create a dimple on top of each (see recipe tip). Place **sliders** on a plate and set aside until Step 5.

4. Make salad

In a large bowl, whisk together **sherry vinegar**, **½ packet honey** (save remainder to sweeten a cup of tea), and **2 tablespoons olive oil** until fully combined. Season with **¼ teaspoon salt** and **pepper** as desired. Add **mixed lettuces** and **radishes** to bowl with vinaigrette, waiting to toss until Step 6 (this will prevent your salad from becoming soggy).

5. Cook sliders

Return pan from onion to medium heat with **1 teaspoon olive oil**. When oil is shimmering, add **sliders** and sear, without flipping, until browned on bottom, 3–4 minutes. Flip and continue searing until browned and medium rare, 2–3 minutes. Top **sliders** with **caramelized onions**, then **white Cheddar**. Cover pan and cook until cheese is melted, 1–2 minutes more. Transfer **sliders** to a plate. Wipe pan clean for the next step.

6. Plate pretzel sliders

Return pan from sliders to medium heat and arrange **pretzel buns** cut-side down. Toast until light golden, about 2 minutes. Spread **mustard** over cut sides of buns. Toss **salad** to coat. Sandwich **cheeseburger sliders** between **pretzel buns** and serve with **salad**. Dig in!
