1. Prepare Ingredients

Halve **lemon**. Peel **apple**. Halve, remove and discard core, and cut into ½-inch cubes.

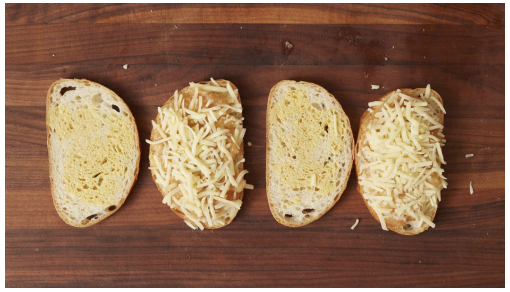

2. Make Compote

In a small pot over medium-high heat, bring **spice mix**, **juice of 1 lemon**, **apple**, **⅓ cup water**, and **¼ teaspoon salt** to a boil. Once boiling, cook until liquid is reduced by half, about 5 minutes. Reduce heat to medium and simmer, breaking up apple with a spoon, until compote is smooth, about 3 minutes more. Remove pot from heat and set aside to cool slightly.

3. Make Dressing

While compote cools, in a large bowl, whisk together **sugar**, **Champagne vinegar**, **½ packet mustard**, **⅛ teaspoon salt** and **pepper** as desired. Whisking continuously, slowly add **2 tablespoons olive oil** until fully combined. Set aside.

4. Assemble Grilled Cheese

Spread **mayonnaise** on 1 side of each bread slice. Lay **2 bread slices** on a clean, dry surface, mayonnaise-side down, and spread **remaining mustard** evenly over tops. Sprinkle over **half of Cheddar**, dividing evenly. Spoon **apple compote** over cheese, then sprinkle **remaining Cheddar** over compote. Top with **remaining bread**, mayonnaise-side up.

5. Cook Grilled Cheese

Add **sandwiches** to a large nonstick pan over medium heat and place a medium pan or large plate on top, pressing down on sandwiches (see Recipe Tip). Cook until bread is golden and cheese is melted, about 4 minutes per side.

6. Plate Grilled Cheese

Add **baby kale** and **pumpkin seeds** to bowl with dressing, toss to coat, and divide between 2 plates. Serve with **Cheddar apple grilled cheese** and share with a fellow cheese lover.
