Caribbean Turkey Burgers

with Pineapple Salsa, Yuca Fries, and Lime Aioli

Tonight's tropical-leaning turkey burgers are infused with Jamaican jerk seasoning, which typically features dried chiles, thyme, and warm spices like cinnamon and clove. They're layered with zesty pineapple salsa and paried with yuca, a starchy tuber that, when roasted, gets a crispy exterior while staying fluffy on the inside—similar to, if not better than, regular potato fries.

baking sheet
12" large pan with lid

Recipe Tips

Be sure to read through the entire recipe before you begin cooking.

Yuca is a tough root vegetable, so we've sent you partially cooked yuca to speed up roasting. If you have trouble cutting it, microwave in 1-minute intervals to soften.

Raw red onion has a strong flavor, so only use as much as desired in your salsa. We recommend ¼ cup.

Burger patties tend to puff up when cooked. Creating a shallow dimple in the center of each helps them cook evenly and keep their shape.

USDA recommends cooking ground turkey to 165°F.

1. Prepare ingredients

Preheat oven to 425°F. Slice **rolls** open horizontally, if they arrived whole. Cut **yuca** lengthwise into ¼-inch fries (see Recipe Tip). Rinse **cilantro** and roughly chop leaves, discarding stems. Halve **lime**. Cut **pineapple** into ¼-inch pieces. Peel **onion** and cut into small dice, then place **¼ cup** in a medium bowl and reserve for making salsa (see Pecipe Tip). Mince **garlic**.

2. Bake Fries and Make Aioli

On a baking sheet, toss yuca with **2 tablespoons canola oil**, **¾ teaspoon salt**, and **pepper** as desired. Arrange in a single layer and roast, flipping halfway through, until tender and crisp, 25 minutes total. Once roasted, toss **yuca**, still on sheet, with **half of cilantro**. Meanwhile, add **juice of ½ lime** to container with **mayonnaise**, along with **half of garlic**, **⅛ teaspoon salt**, and **pepper**. Stir to combine, then set **aioli** aside until ready to serve.

3. Sauté Aromatics

Heat **1 tablespoon canola oil** in a large pan over medium heat. When oil is shimmering, add **remaining onion** (not ¼ cup reserved), **remaining garlic**, and **⅛ teaspoon salt.** Cook, stirring, until softened, about 5 minutes. Add **jerk seasoning** and cook, stirring continuously, until fragrant, 1 minute more. Transfer **aromatics** to a large bowl. Wipe pan clean and reserve, off heat, for toasting rolls.

4. Form Burgers and Toast Rolls

Add **¾ teaspoon salt** and **pepper** to bowl with aromatics, then add **turkey**. Using your hands, mix well, then form into 3 equal patties, about 1 inch thick. Using your thumb, create a dimple on top of each (see Recipe Tip). Set aside. Return pan from aromatics to medium-high heat and add **rolls** cut-side down, working in batches as needed. Toast until light golden and warmed through, 2-3 minutes. Transfer to serving plates.

5. Cook Turkey Burgers

Return pan from buns to medium-high heat and add **1 tablespoon canola oil**. When oil is shimmering, add **burgers** and sear until browned on bottom, 5-6 minutes. Flip **burgers**, reduce heat to medium, and cover pan (this traps steam and helps the burgers cook through completely). Sear until no longer pink, 5-6 minutes more. Transfer **burgers** to a plate and set aside to rest.

6. Make Salsa and Plate Burgers

Add **apricot preserves** to bowl with reserved onion, along with **hot sauce**, **pineapple**, **remaining cilantro**, **juice of remaining lime**, **¼ teaspoon salt**, and **pepper** as desired. Toss well to coat. Top **rolls** with **turkey burgers** and spoonfuls of **pineapple salsa**. Enjoy with **yuca fries** and **lime aioli** for dipping. Dig in!
