Chicken-Avocado Burgers

with Lemon Aioli and Sautéed Green Beans

A fan favorite recipe returns! Double the avocado makes tonight's Encore Recipe doubly delicious. Here, chicken burgers are made with chopped avocado and a little garlic, seared to perfection, then piled onto toasted brioche buns with lemon aioli and more creamy avocado. Simple sautéed green beans, finished with flakes of Maldon sea salt, make a colorful, seasonal side.

Ingredients

- 2 brioche buns
- 8 ounces green beans
- 1 avocado, divided
- 1 lemon, divided
- 2 cloves garlic, divided
- 12 ounces ground chicken
- 2 packets mayonnaise
- 2 tablespoons Chobani nonfat Greek yogurt
- ¼ teaspoon Maldon sea salt

You'll Need

olive oil
kosher salt
black pepper
plastic wrap
12" large nonstick pan with lid

Recipe Tips

Be sure to read through the entire recipe before you begin cooking.

Try rubbing 1 teaspoon olive oil between your hands before forming the patties—it'll help keep the chicken from sticking to your fingers.

Our preferred cooking method for this recipe saves on cleanup by sautéing green beans, searing burgers, and toasting buns in the same pan. To save on time, start searing the burgers, then grab a separate large pan to cook the green beans simultaneously.

The chicken might have a slight odor as a natural reaction to its vacuum packing. USDA recommends cooking chicken to 165°F.

1. Prepare Ingredients

Slice **buns** open horizontally, if they arrived whole. Rinse **green beans** and trim and discard ends (line up the ends to cut them all together). Halve **avocado** and discard pit. Using a spoon, carefully scoop out flesh, discarding skin. Roughly chop **1 half** and place in a medium bowl for making burgers; thinly slice **remaining avocado** and set aside until ready to serve. Halve **lemon**. Mince **garlic**.

2. Form Burgers

Add **half of garlic**, **½ teaspoon kosher salt**, and **pepper** as desired to bowl with chopped avocado and stir to combine, then add **chicken**. Using your hands, mix well, then form into 2 equal patties, about 1 inch thick (see Recipe Tip). Place **burgers** on a plate, cover with plastic wrap, and chill in refrigerator for at least 5 minutes (this will help them hold their shape as they cook).

3. Sauté Green Beans

While burgers chill, heat **1 tablespoon olive oil** in a large nonstick pan over medium heat (see Recipe Tip). When oil is shimmering, add **green beans** and sauté, stirring, until bright green and tender, about 4 minutes. Remove pan from heat. Squeeze over **juice of ½ lemon** and season with **¼ teaspoon kosher salt** and **pepper** as desired. Transfer to serving plates, reserving pan for searing burgers.

4. Sear Burgers

Wipe pan from green beans clean and add **1 tablespoon olive oil** over medium heat. When oil is shimmering, add **burgers** and sear until browned on bottom, 5 minutes. Flip, cover pan, and continue searing until cooked through and no longer pink, 5 minutes more. Transfer **burgers** to a plate and set aside. Wipe pan clean and reserve for toasting buns.

5. Make Aioli and Toast Buns

While burgers sear, in a small bowl, stir together **mayonnaise**, **Chobani yogurt**, **juice of remaining lemon**, and **remaining garlic**. Season with **⅛ teaspoon kosher salt** and **pepper** as desired. Arrange **buns** cut-side down in pan from burgers over medium heat and toast until light golden and warmed through, 2-3 minutes. Transfer to serving plates with green beans.

6. Plate Chicken-Avocado Burgers

Sprinkle **Maldon salt** over **sautéed green beans**. Layer **bun bottoms** with **chicken-avocado burgers**, then **sliced avocado**, then **lemon aioli**. Finish with **bun tops** and dig in!
