Recipe Tips

Be sure to read through the entire recipe before you begin cooking.

No grill? No worries! Heat 1 tablespoon olive oil in a large pan over medium-high heat. When the oil is just smoking, add the chicken and cook until golden and cooked through, 5-6 minutes per side.

Without cold water, the heat from the green beans will cause them to overcook.

The chicken might have a slight odor as a natural reaction to its vacuum packing.

USDA recommends cooking chicken to 165°F.

1. Prepare Ingredients

Bring a large pot of water to a boil over high heat. Rinse all produce. Roughly chop **Marcona almonds**. Tear **butter lettuce** into bite-size pieces, discarding tough root. Trim and discard dirt from **mâche** if necessary, then separate leaves. Trim and discard ends of **green beans**. Halve **lemon**. Pat **chicken** dry with paper towel.

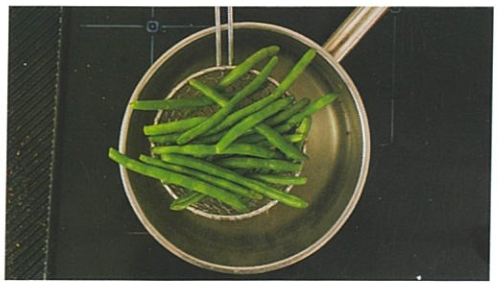

2. Marinate Chicken

In a shallow bowl or large resealable plastic bag, whisk together **balsamic vinegar**, **Dijon mustard**, **herbes de Provence**, **half of honey**, and **1 tablespoon olive oil**. Add **chicken** and turn to coat. Set aside to marinate for about 10 minutes at room temperature. Reserve **remaining honey** for dressing.

3. Make Dressing

While chicken marinates, in a large bowl, whisk together **juice of 1 lemon**, **remaining honey**, and **1 tablespoon olive oil**. Season with **¼ teaspoon salt** and **pepper** as desired. Heat grill or grill pan to medium-high heat (see Recipe Tip).

4. Blanch Green Beans

Generously season pot of boiling water with **salt**. Add **green beans** and cook until bright green, about 1 minute, then drain and immediately rinse under cold water for 30 seconds to stop cooking (see Recipe Tip). Add to bowl with dressing and toss to coat.

5. Grill Chicken

Brush grill or grill pan with **½ tablespoon olive oil**. Remove **chicken** from marinade, allowing excess to drip off. Season all over with **½ teaspoon salt** and **pepper** as desired. When grill is just smoking, add **chicken** and grill until lightly charred on outside and cooked through, 5-6 minutes per side. Remove and cut each piece crosswise into 1-inch slices.

6. Plate Chicken

Add **butter lettuce** and **mâche** to bowl with green beans and dressing and toss to coat. Divide **salad** evenly between 2 plates. Top with **chicken** and **Marcona almonds**. Scatter over **bleu cheese** and enjoy your terrific dinner.
