Rake a fork or tongs back and forth across your roasted spaghetti squash to remove its flesh in strands until you've reached the outer skin.

USDA recommends cooking beef to 145°F.

Great food starts with great ingredients. We're proud to send you beef raised without antibiotics or added hormones.

1. Prepare Ingredients

Preheat oven to 450°F. Peel **onion**, halve, and cut into small dice. Mince **garlic**. Rinse **carrot** and cut into ¼-inch dice. Halve **squash** lengthwise and using a large spoon, scoop out seeds and discard. Pat **beef** dry with paper towel.

2. Roast Spaghetti Squash

Drizzle **1 tablespoon olive oil** over cut sides of **squash** and season with **spice mix**, **½ teaspoon kosher salt**, and **pepper** as desired. Place cut-side down on a foil-lined baking sheet, transfer to oven, and roast until tender, about 25 minutes. Remove and set aside to cool until ready to use.

3. Brown Beef

While spaghetti squash roasts, heat **1 tablespoon olive oil** in a medium high-sided pan over medium-high heat. When oil is shimmering, add **beef**. Season with **½ teaspoon kosher salt** and **pepper** as desired. Cook, breaking up with the back of a spoon, until browned, about 5 minutes. Stir in **onion**, **garlic**, and **carrot** and sauté until softening, about 5 minutes.

4. Simmer Bolognese

Add **tomato paste** to pan with beef over medium-high heat and cook, stirring, until combined, about 1 minute. Stir in **chicken stock** and **red wine**. Increase heat to high and bring to a boil, then reduce heat to medium high and simmer until reduced by ½, about 10 minutes. Stir in **heavy cream** and simmer until warmed through, about 1 minute more. Remove pan from heat. Taste and add more **salt** and **pepper** as needed.

5. Pull Spaghetti Squash

Using a fork or tongs, rake **roasted squash flesh** to create spaghetti-like strands (see Recipe Tip). Taste and add more **salt** and **pepper** as needed.

6. Plate Bolognese

Spoon **bolognese** over **spaghetti squash**. Garnish with **pecorino**. Enjoy the carb-loading minus the extra carbs.
