Asian Meatloaf with Miso Mashed Potatoes and Roasted Broccoli

Total Time: 35-45 minutes Calories per Serving: 650

Serves: 2 people

This twist on All-American meatloaf uses bold Asian seasonings like soy sauce, hoisin sauce, and sesame oil to create a dish that's both comforting and adventurous. Miso—a fermented soybean paste—adds depth of flavor to the side of mashed potatoes.

USDA recommends cooking beef to 145° F.

1. Prepare Ingredients

Preheat oven to 400°F. Mince **garlic**. Trim and discard skin of **ginger** and mince. Peel **potatoes** and cut into 1-inch dice. Rinse **scallions**. Trim and discard roots. Thinly slice, keeping whites and light greens separate from dark greens. Rinse **broccoli**. Break into 2-inch florets with stems. Pat **beef** dry with paper towel. In a small bowl, combine **ketchup** and **½ of hoisin sauce** to make glaze. In a separate small bowl, beat **1 egg**.

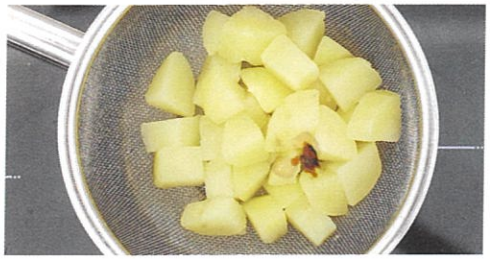

2. Form Meatloaves

In a large bowl, combine **soy sauce**, **breadcrumbs**, **garlic**, **beef**, **⅓ of ginger**, **½ of scallion whites and light greens**, **½ of beaten egg**, **remaining hoisin sauce**, and **1 teaspoon kosher salt**. Using your hands, mix well (see Recipe Tip). Divide mixture evenly and form into 2 loaves, about 2 x 5 inches. Place on ½ of a foil-lined baking sheet. Brush over **ketchup-hoisin glaze**, dividing evenly. Add remaining egg to an omelet tomorrow.

3. Roast Meatloaves

In a large bowl, toss **broccoli** with **1½ tablespoons sesame oil**, **remaining ginger**, **½ teaspoon kosher salt**, and **pepper**. Arrange in a single layer on other ½ of prepared baking sheet. Transfer to oven and roast together until meatloaves are cooked through and broccoli is tender, about 15 minutes.

4. Boil Potatoes

While meatloaves and broccoli roast, add **potatoes** to a medium pot, cover with cold water, and add a **generous pinch salt**. Bring to a boil over high heat and cook until tender when pierced with a knife tip, about 12 minutes. Drain and return to pot, off the heat.

5. Mash Potatoes

Add **miso paste** to pot with potatoes. Using a large fork or potato masher, mash until mostly smooth. Stir in **remaining scallion whites and light greens** and **remaining sesame oil**. Taste and add **salt** and **pepper** as needed.

6. Plate Meatloaves

Cut **meatloaves** crosswise into thick, hearty slices. Garnish with **scallion dark greens**. Serve with **roasted broccoli** and **mashed potatoes** alongside. Dig in!
