Chickpea Samosas

with Apricot Chutney and Cilantro-Mint Raita

This popular Indian snack food gets a hearty filling thanks to tikka masala–spiced chickpeas, cashews, peas, and carrots. You'll flex some new skills by folding and pinching the dough into a triangle. But from there we make it easy by baking the samosas until golden and crisp for a hands-free approach. Paired with not one, but two dipping sauces, you won't have to choose between spicy or sweet.

Recipe tips

Be sure to read through the entire recipe before you begin cooking.

Always wash your knife, board, and hands after cutting spicy chiles.

Once seams of samosas are pinched and sealed, pinch the top of the triangle to secure the peak of the samosa. But don't worry if they burst open while baking, they will still taste delicious!

No blender? Finely chop serrano chile and herbs, and place in a small bowl with remaining raita ingredients, then stir to combine.

1. Prepare ingredients

Preheat oven to 450°F. Line a baking sheet with **parchment paper**. Rinse all produce. Roughly chop **shredded carrots**. Roughly chop **cashews**. Roughly chop **coconut flakes**. Peel **onion** and cut into small dice. Halve **serrano chile** lengthwise; using a knife tip, discard seeds and stem, then roughly chop (see recipe tip). Drain and rinse **chickpeas** and pat dry with paper towel.

2. Make chickpea filling

Heat **2 teaspoons olive oil** in a large high-sided pan over medium-high heat. When oil is shimmering, add **half of onion** and sauté, stirring, until beginning to soften, about 3 minutes. Add **tikka masala curry paste**, **chopped carrots**, **chickpeas**, and **2 tablespoons water** and cook until carrots are soft and fragrant, 2 minutes more. Remove from heat; stir in **peas**, **cashews**, **coconut**, and **½ teaspoon salt** to combine.

3. Fill samosas

Place **8 empanada doughs** on a clean, dry surface in a single layer (save remainder for another recipe). Using your hands, gently stretch or press **doughs** into slightly larger circles, about 5 inches each (so they can hold more filling). Using a slotted spoon, add about **⅓ cup chickpea filling** to middle of each dough, draining off any liquid in pan and leaving a 1-inch border. Wipe pan clean for Step 5.

4. Form and bake samosas

Working 1 samosa at a time, use the thumbs and forefingers of both hands to push **3 sides** up toward center to form a triangle shape, then fold seams over to close and pinch tightly to seal (see recipe tip). Arrange on prepared baking sheet, seam-side up, and brush with **olive oil**. Bake until puffed and light golden, 15–17 minutes.

5. Make chutney

While samosas bake, return pan from filling to medium-high heat and add **2 teaspoons olive oil**. When oil is shimmering, add **remaining onion**; sauté, stirring, until beginning to soften, 3–4 minutes. Remove from heat and stir in **apricot preserves** and **¼ teaspoon salt** to combine. Transfer **apricot chutney** to a small bowl for serving. Meanwhile, roughly chop **cilantro** leaves and stems. Pick **mint** leaves, discarding stems.

6. Make raita and plate

In a blender or food processor, combine **sour cream**, **serrano chile** (use half for less heat), **half of cilantro**, **half of mint**, **1 tablespoon water**, and **¼ teaspoon salt**. Blend until smooth (see recipe tip). Once baked, divide **chickpea samosas** between serving plates and garnish with **remaining herbs**. Serve with **apricot chutney** and **cilantro-mint raita**. Enjoy!
