Recipe Tips

Be sure to read through the entire recipe before you begin cooking.

When slicing spicy chiles, avoid touching the inside. Immediately wash your knife, cutting board, and hands afterward. Omit it if you don't love heat.

The chicken might have a slight odor as a natural reaction to its vacuum packing.

USDA recommends cooking chicken to 165°F.

1. Prepare Ingredients

Preheat oven to 400°F. Halve **lime**. Peel **onion** and thinly slice ½. Using the flat side of a knife, smash **garlic**. Rinse remaining produce. Halve **jalapeño** and using a knife tip, discard seeds and mince as much as desired (see Recipe Tip). Pick **cilantro** leaves, discarding stems. Quarter **1 tomato** and thinly slice other. Rinse **chicken** and pat dry with paper towel.

2. Make Filling

On a foil-lined baking sheet, toss **sliced onion** and **quartered tomato** with **½ of garlic**, **½ tablespoon olive oil**, and **⅛ teaspoon kosher salt**. Arrange in a single layer. Season chicken all over with **spice mix**, **½ teaspoon kosher salt**, and **pepper** as desired. Place over vegetables. Drizzle over **½ tablespoon olive oil**. Transfer to oven and roast until chicken is cooked through and vegetables are tender, 16-18 minutes. Remove and roughly chop everything.

3. Make Green Chile Sauce

While filling roasts, stir together **mayonnaise**, **juice of ½ lime**, **jalapeño**, **½ of cilantro**, and **remaining garlic** in a medium bowl. Alternatively, place ingredients in a blender and blend until smooth. Stir or stream in **1-2 tablespoons olive oil** until sauce is pourable. Taste and add **salt** and **pepper** as needed.

4. Assemble and Bake Empanadas

Discard foil from baking sheet from vegetables and line with parchment paper. Add **empanada dough** in a single layer. Spoon about **¼ cup filling** onto 1 side of each piece, dividing evenly. Carefully fold dough over filling and using the tines of a fork, seal edges tightly. Cut a small slit on top of each for steam to escape. Transfer to oven and bake until puffed and golden, about 18 minutes.

5. Make Salad

While empanadas bake, whisk together **juice of remaining ½ lime**, **remaining cilantro**, and **1 tablespoon olive oil** in a large bowl. Taste and add **salt** and **pepper** as needed. Halve **avocado** and discard pit. Using a spoon, carefully scoop out flesh, discarding skin. Thinly slice and add to bowl. Add **sliced tomato** and toss to combine.

6. Plate Empanadas

Serve **empanadas** with **salad** and **green chile sauce** alongside. Try dipping!
