

Dover Sole

with Apple Salad and Roasted Potatoes

Say it with us: it's finally time to cook with apples! The crisp and juicy Gala apple in this early fall recipe is a cross between the sweet red Delco variety and the more tart Golden Delicious. This balance complements the subtle anise flavor of roasted peak-season fennel, plus fresh arugula's peppery bite.

Recipe Tips

To remove the core from the fennel halves, cut it out in a wedge shape.

If your sole arrived in fillets that are too big for your pan, no worries! Cutting the fish into smaller pieces means it can cook in a single, even layer, ensuring the herbs are seared into the fish on all sides.

USDA recommends cooking fish to 145°F.

1. Prepare Ingredients

Preheat oven to 425°F. Rinse all produce. Halve **apple**, remove and discard core, and thinly slice. Halve **fennel**, remove and discard core, and thinly slice (see Recipe Tip). Halve **potatoes** lengthwise. Pat **sole** dry with paper towel and cut in half crosswise (see Recipe Tip).

2. Roast Vegetables

On half of a baking sheet, toss **apple** and **fennel** with **1½ tablespoons olive oil**, **dried tarragon**, **¼ teaspoon salt** and **pepper** as desired. Arrange in a single layer. In a medium bowl, whisk together **2 packets mustard**, **1 tablespoon olive oil**, **¼ teaspoon salt** and **pepper** as desired. Add **potatoes** to bowl and toss to coat, then arrange cut-side down on other half of baking sheet. Roast until potatoes are golden and crisp, about 15 minutes.

3. Make Dressing

While vegetables roast, in a large bowl, whisk together **apple cider vinegar**, **remaining mustard**, and **1½ tablespoons olive oil** until fully combined. Season with **⅛ teaspoon salt** and **pepper** as desired.

4. Toss Salad

Once roasted, add **apple** and **fennel** to bowl with dressing. Add **arugula** and toss to coat.

5. Cook Sole

Heat **butter** in a large nonstick pan over medium heat. Season **sole** all over with **herbes de Provence**, **¼ teaspoon salt** and **pepper** as desired. When butter is foamy, add **sole** and cook until herbs are beginning to crisp and fish is opaque, 1-2 minutes per side.

6. Plate Sole

Divide **sole** between 2 plates, spooning over any **remaining melted butter** from pan. Serve with **apple salad** and **roasted potatoes**. Dig into your fall dish!
