Chicken Meatballs

with Mozzarella-Garlic Bread and Charred Broccoli

Here's our trick to juicy chicken meatballs: a fine-tuned balance of moisture and binding (breadcrumbs, cheese, and egg yolk), plus gentle hand-mixing. In this recipe, we use aromatics across the board for maximum flavor: Sautéed red onion and garlic are folded into the meatballs and simmered with crushed tomatoes, and garlic butter soaks into chewy ciabatta while it toasts with melty cheese.

Recipe tips

Be sure to read through the entire recipe before you begin cooking.

Crack egg over a small bowl. Carefully transfer yolk between shell halves until all white drains into bowl. Add yolk to large bowl of aromatics. Repeat with remaining egg. Save whites for an omelet.

How to use the remaining ricotta? We love it on toast with honey.

The chicken might have a slight odor as a natural reaction to its vacuum packing. USDA recommends cooking ground chicken to 160°F.

1. Prepare ingredients

Preheat oven to 450°F. Place **butter** in a small bowl to soften at room temperature. Rinse **broccoli** and cut into 1-inch florets, discarding tough stem. Rinse **parsley** and finely chop leaves, discarding stems. Peel **onion** and cut into small dice. Mince **garlic** and, still on cutting board, sprinkle over **¼ teaspoon salt**. Using a large knife, carefully scrape over mixture at a 45° angle, pressing down, to make a paste.

2. Sauté aromatics

Transfer **half of garlic paste** to bowl with **butter**, season with **pepper**, and mash with a fork. Set aside. Heat **1 tablespoon olive oil** in a large pan over medium heat. When oil is shimmering, add **onion** and cook, stirring, until soft, about 5 minutes. Add **remaining garlic paste** and cook until fragrant, 1 minute more. Divide **aromatics** evenly between 1 large bowl (for meatballs) and 1 small bowl (for sauce). Reserve pan, off heat.

3. Form and sear meatballs

Separate **2 eggs**; add **yolks** to aromatics in large bowl (see recipe tip). Add **breadcrumbs**, **2 tablespoons ricotta**, **3 tablespoons Parmesan**, **half of parsley**, **1 teaspoon salt**, and **pepper**. Add **chicken**. Using your hands, mix well, then form into 12 equal 1½-inch balls. Place pan from aromatics over medium-high heat with **¼ cup olive oil**. When oil is shimmering, add **meatballs**. Sear, flipping, to brown all sides, 6–8 minutes total.

4. Simmer sauce

Once browned, push **meatballs** to outer edges of pan, then reduce heat to medium. Add **remaining aromatics** (from small bowl) to center of pan, along with **crushed tomatoes** and **¼ teaspoon salt**. Stir everything to coat meatballs, about 1 minute. Increase heat under pan to high and bring to a boil, then reduce heat to medium and simmer until meatballs are cooked through and sauce is thickened, 10–12 minutes more.

5. Roast broccoli and toast bread

While sauce simmers, on a baking sheet, toss **broccoli** with **1½ tablespons olive oil**, **¼ teaspoon salt**, and **pepper** as desired. Roast until lightly charred, 10–12 minutes. Meanwhile, slice **ciabatta** open lengthwise. On a separate baking sheet, arrange **ciabatta** cut-side up, spread with **garlic butter**, and sprinkle over **mozzarella and provolone**. Bake (with broccoli) until cheese is golden and bubbling, about 6 minutes.

6. Plate chicken meatballs

Once roasted, sprinkle **2 tablespoons Parmesan** over **broccoli**, still on baking sheet, and toss to combine. Divide **charred broccoli** and **chicken meatballs** among serving plates, garnish with **remaining parsley** and **remaining Parmesan**, and serve with **mozzarella-garlic bread**.
