Chicken Shawarma Salad

with Lemon-Honey Dressing and Creamy Tahini

We can never resist the flavors of *shawarma*, the Middle Eastern version of a gyro. In this repeat favorite, we've taken it out of the pita in favor of a big, crunchy salad. Chicken is marinated with lemon, paprika, turmeric, cayenne, and cumin, then pan-roasted and plated over crisp lettuce, cucumber, onion, and pickles tossed in a tangy honey-lemon dressing.

Recipe tips

Be sure to read through the entire recipe before you begin cooking.

Soaking the raw sliced onion helps take some of the bite out of its strong flavor. Save remaining onion for another recipe.

The chicken might have a slight odor as a natural reaction to its vacuum packing. USDA recommends cooking chicken to 165°F.

1. Marinate chicken

Halve **lemons**. In a large shallow bowl or resealable plastic bag, whisk together **spice mix**, **juice of ½ lemon**, **1 tablespoon olive oil**, **½ teaspoon salt**, and **black pepper** as desired to combine. Pat **chicken** dry with paper towel, add to marinade, and turn to coat. Set aside to marinate at room temperature until Step 3.

2. Prepare ingredients

While chicken marinates, halve **little gem** lengthwise and rinse thoroughly; thinly slice leaves crosswise, discarding tough stem. Rinse remaining produce. Halve **cucumber** lengthwise, then cut crosswise into ¼-inch half-moons. Roughly chop **parsley** leaves, discarding stems. Thinly slice **cornichons**. Peel **onion**, thinly slice **1 half**, and place in a medium bowl. Add enough **cold water** to cover; set aside to soak (see recipe tip).

3. Cook chicken shawarma

Heat **1 tablespoon olive oil** in a medium pan over medium-high heat. When oil is shimmering, remove **chicken** from marinade and add to pan. Sear until cooked through and no longer pink, about 6 minutes per side. Transfer to a plate and set aside to rest. Meanwhile, in a separate large bowl, whisk together **sumac**, **½ packet honey** (discard remainder), **juice of 1 lemon**, **2 tablespoons olive oil**, and **¼ teaspoon salt** to make dressing.

4. Toss salad and make garlic paste

Drain **onion** and pat dry with paper towel, reserving bowl for the next step. To large bowl with dressing, add **little gem**, **cucumber**, **parsley**, **cornichons**, and **sliced onion** (use half for milder flavor). Toss to coat. Mince **garlic** and, still on cutting board, sprinkle over **⅛ teaspoon salt**. Using a large knife, carefully scrape over mixture at a 45° angle, pressing down. Repeat until garlic is broken down and a paste forms.

5. Make creamy tahini

In bowl from onion, whisk together **tahini**, **garlic paste**, and **juice of remaining lemon** (or start with a little, taste, and add more as desired). Whisking continuously, slowly add up to **¼ cup warm water**, 1 tablespoon at a time, until sauce is smooth and pourable. Season with **⅛ teaspoon salt** and **black pepper** as desired.

6. Plate chicken shawarma salad

Divide **salad** between serving plates. Slice **chicken shawarma** as thinly as possible and plate on top of salad. Drizzle over **creamy tahini** and dig in!
