Greek Yogurt Parfaits with Caramelized Pear

Total Time: 20-30 minutes Calories per Serving: 430

Serves: 2 people

A parfait is a dessert of cream and fruit arranged in alternate layers. It is often served in glasses so all the pretty layers are visible. Greek yogurt is combined here with honey, then layered with caramelized pears and chopped pecans.

1. Whip Yogurt

In a medium bowl, stir together **Chobani yogurt** and **½ of honey**. In a separate large bowl, using a whisk, whip **heavy cream** until soft peaks form. Gently fold in **yogurt mixture** (see Recipe Tip). Place in freezer to chill for about 10 minutes.

2. Caramelize Pear

While yogurt chills, rinse **pear**, halve, and cut into ½-inch dice, discarding core. Add to a medium pan along with **brown sugar** and **remaining honey** over medium-high heat. Stir to combine, then cook without moving until pear is becoming tender, about 3 minutes. Stir and cook until golden and tender, about 2 minutes more. Transfer to a small bowl and set aside to cool for 3-5 minutes.

3. Assemble Parfaits

Add **pecans** to bowl with pear and stir to combine. Place **½ of yogurt mixture** in 2 small glasses, dividing evenly. Add **½ of pear mixture**, then add **remaining yogurt mixture**. Finish with **remaining pear mixture**.

4. Plate Parfaits

Enjoy **parfaits** immediately or place in refrigerator for about 1 hour and serve chilled.

- RECIPE TIPS

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

Fold the whipped cream into the yogurt mixture gently, reaching to the bottom of the bowl. Be sure to do this with a light touch to avoid deflating the cream.

- INGREDIENTS

- 1 container Chobani nonfat Greek yogurt
- 1 jar honey, divided
- ½ cup heavy cream
- 1 d'Anjou pear
- 1 tablespoon light brown sugar
- 2 tablespoons chopped pecans

- YOU'LL NEED

10" medium pan
