1. Prepare Ingredients

Preheat oven to 400°F. Rinse **green beans** and trim and discard ends. Rinse **orange** and, using a knife or vegetable peeler, peel **3 pieces skin** and reserve for compote. Halve **orange**.

2. Roast Green Beans and Pumpkin Seeds

On a baking sheet, toss **green beans** with **1 tablespoon olive oil**, **¼ teaspoon salt** and **black pepper** as desired. Arrange in a single layer and roast until bright green and crisp, about 10 minutes, then remove. Add **pumpkin seeds** to baking sheet, return to oven, and roast together until seeds are toasted, about 2 minutes more.

3. Make Compote

While green beans roast, combine **sugar** and **⅓ cup water** in a small pot over medium heat. Cook until dissolved, about 1 minute. Stir in **cranberries**, **Aleppo pepper**, **cinnamon stick**, **orange peel**, and **1 squeeze orange juice**. Cook until warmed through, 5 minutes. Reduce heat to medium low and simmer until cranberries have softened, 5 minutes more. Remove pot from heat. Taste and add **salt** and **black pepper** as desired.

4. Assemble Sandwiches

While compote simmers, spread **mayonnaise** on 1 side of **bread slices** (see Recipe Tip). Lay **2 bread slices** mayonnaise-side down on a clean dry surface and sprinkle over **Cheddar**, dividing evenly. Top with **remaining bread**, mayonnaise-side up.

5. Cook Grilled Cheese

In a large pan over medium heat, add **sandwiches** and place a medium heavy pan or another heavy object on top. Cook until bread is golden and cheese is melted, about 4 minutes per side.

6. Plate Grilled Cheese

Remove and discard **orange peel** and **cinnamon stick** from compote. Halve **grilled cheeses** on a diagonal and serve with **roasted green beans** and **cranberry compote** for dipping. Snack on remaining orange.
