Grilled Steak

with Potato Salad and Charred Zucchini

What classic pairing can be easily adapted to fit every season and flavor profile? Steak and potatoes, of course! Here, we're serving simply grilled steaks with a tangy, double-mustard potato salad, packed with fresh herbs, briny pickles, and grilled scallion. Zucchini and red onion get a little char, too, to complete our colorful ode to summer's hottest cooking method. Best enjoyed outside.

Recipe Tips

Be sure to read through the entire recipe before you begin cooking.

No outdoor grill? Preheat a grill pan in Step 4. Or, use a regular large pan over medium-high heat. Thinly slice onion and sauté in 1 tablespoon olive oil, then push to edges of pan, add more oil, and char zucchini. Push zucchini to edges to char scallions. Transfer all veggies to a plate and cover to keep warm. Wipe pan clean to sear steaks, 4-6 minutes per side.

USDA recommends cooking beef to 145°F.

1. Prepare Ingredients

Preheat grill to medium-high heat (see Recipe Tip). Rinse all produce. Cut **potatoes** into 1-inch pieces, place in a medium pot, and cover with cold water by 1 inch. Cut **zucchini** crosswise on a diagonal into ½-inch slices. Finely chop **cornichons** and **capers**. Roughly chop enough **dill** and **parsley** leaves to yield 2 teaspoons of each, discarding stems; save remainder for another recipe. Peel **onion** and quarter.

2. Boil Potatoes

Season pot with potatoes generously with **salt**, bring to a boil over high heat, and cook until tender when pierced with a knife tip, about 12 minutes. Drain **potatoes** and set aside.

3. Make Potato Salad

While potatoes boil, in a large bowl, combine **mayonnaise**, **Dijon mustard**, **apple cider vinegar**, **whole-grain mustard**, **cornichons**, **capers**, and **chopped herbs**. Season with **½ teaspoon salt** and **pepper** as desired, and whisk together until fully combined. Once drained, add **potatoes** to bowl with dressing and toss to coat. Set aside.

4. Grill Vegetables

If using a grill pan, place over medium-high heat now. When grill is just smoking, add **zucchini** and **onions** cut-side down, and cook until charred and softened, about 4 minutes. Transfer **onions** to a large plate. Flip **zucchini** and continue charring on opposite side, 3 minutes more. Add **scallions** and grill until charred, 1 minute per side. Transfer **zucchini** and **scallions** to plate with onions. Cover loosely with foil to keep warm.

5. Grill Steaks

Pat **steaks** dry with paper towel and rub all over with **1 tablespoon olive oil**, **1 teaspoon salt** and **pepper** as desired. Add **steaks** to grill and cook until charred and medium rare, 3-4 minutes per side. Transfer **steaks** to a plate and set aside to rest for about 5 minutes. Meanwhile, trim and discard roots from **grilled scallions**, then roughly chop. Add to bowl with potato salad and stir to combine.

6. Finish Vegetables and Plate

Roughly chop **grilled onions** and toss on plate with **grilled zucchini**, **¾ teaspoon salt** and **pepper** as desired. Cut **steaks** against the grain (across the direction of the muscle fibers, rather than parallel) into ¼-inch slices. Divide **grilled steak** among serving plates with **potato salad** and **grilled vegetables**. Enjoy!
