Wiping mushrooms clean with a damp paper towel prevents them from absorbing water. They won't brown well if they're too wet.

1. Prepare Ingredients

Preheat oven to 450°F. Rinse **tomatoes** and halve. Rinse **spinach** and roughly chop. Wipe **mushrooms** clean with a damp paper towel and quarter caps, discarding stems (see Recipe Tip). Finely chop **oregano** leaves, discarding stems. Mince **garlic**. Slice **mozzarella** as thinly as possible. Halve **rolls** lengthwise, wrap together in foil, and place in oven to warm for 5-10 minutes.

2. Roast Vegetables

On a baking sheet, toss **tomatoes** and **mushrooms** with **½ of garlic**, **1 tablespoon olive oil**, **½ teaspoon kosher salt**, and **pepper**. Transfer to oven and roast until tomatoes begin to brown and mushrooms are softened, about 10 minutes. Remove and transfer vegetables to a medium bowl. Immediately add **spinach** and toss to wilt.

3. Make Tomato Sauce

While vegetables roast, heat **1 tablespoon olive oil** in a small pot over medium heat. When oil is shimmering, add **spice mix** and **remaining garlic** and cook until fragrant, about 2 minutes. Add **tomato purée** and cook until flavors are melded, about 3 minutes more. Remove pot from heat. Taste and add **salt** and **pepper** as needed.

4. Assemble Pizzas

Wipe baking sheet from vegetables clean and add **warmed rolls** cut-side up. Spread **½ of tomato sauce** over rolls. Top with **roasted vegetables**, then add **remaining tomato sauce**. Sprinkle over **pecorino** and finish with **mozzarella**, dividing evenly.

5. Bake Pizzas

Transfer **pizzas** to oven and bake until cheese is bubbling and golden, about 5 minutes.

6. Plate Pizzas

Garnish **pizzas** with **oregano** and start eating.
