Recipe tips

Bok choy tends to hide a lot of dirt between its leaves, so a thorough rinse is important.

Use remaining honey to sweeten a cup of tea.

1. Prepare ingredients

Bring a medium pot of water to a boil over high heat. Halve **bok choy** lengthwise and rinse thoroughly (see recipe tip); cut crosswise into 1-inch pieces, keeping bulbs and leaves separate. Rinse **scallions**, trim and discard roots, and thinly slice, keeping whites and light greens separate from dark greens. In a large bowl or resealable plastic bag, combine **half of soy sauce**, **half of rice wine vinegar**, and **½ packet honey** (see recipe tip).

2. Cook noodles and marinate pork

Season boiling water generously with **salt**. Stir in **spaghetti** and cook until al dente, about 8 minutes. Drain and rinse under cold water for 30 seconds to stop cooking, then transfer to a separate large bowl and set aside. Meanwhile, pat **pork chops** dry with paper towel, add to honey-soy mixture, and turn to coat. Set aside to marinate at room temperature until Step 5.

3. Sauté vegetables

In a large pan, heat **sesame oil** over medium-high heat. When oil is shimmering, add **bok choy bulbs** and **scallion whites and light greens**. Sauté, stirring, until beginning to soften, 3–4 minutes, then stir in **cabbage** and **bok choy leaves** and cook until wilted, about 2 minutes more. Season with **¼ teaspoon salt**. Transfer **vegetables** to bowl with noodles and set aside, reserving pan for Step 5.

4. Make peanut sauce

While vegetables cook, in a small bowl, whisk together **peanut butter**, **remaining soy sauce**, **remaining rice wine vinegar**, and **1 tablespoon water** until smooth. Set **peanut sauce** aside until Step 6.

5. Cook pork

Remove **pork** from marinade, allowing excess to drip off. Wipe pan from vegetables clean, then return to medium-high heat with **2 teaspoons canola oil**. When oil is shimmering, add **pork** and sear until browned and cooked through, 3–5 minutes per side. Transfer to a plate and set aside to rest for about 5 minutes.

6. Finish and plate pork

While pork rests, roughly chop **peanuts**. Add **peanut sauce** to bowl with noodles and toss to fully coat. Divide **peanut noodles** between serving bowls. Once rested, thinly slice **honey-soy pork** and add to bowls with noodles. Garnish with **peanuts** and **scallion dark greens** and drizzle over **Sriracha**, if desired. Dig in!
