# Jerk Chicken

## with Quinoa, Pineapple Salsa, and Avocado

In this Caribbean-inspired dish, Jamaican jerk seasoning adds sweet smokiness to tender chicken breasts, which roast atop zucchini, bell pepper, and red onion. They're served over nutty quinoa with creamy avocado slices. An herb-laced pineapple salsa rounds out the tropical vibes, bringing zing with lime juice and a little raw onion. Check the clock: We're pretty sure dinnertime just became island time.

## Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

Half of the onion is sliced and roasted with the other vegetables; the rest is roughly chopped for the tangy-sweet pineapple salsa in Step 4. Raw red onion has a strong flavor, so feel free to use less in your salsa.

The chicken might have a slight odor as a natural reaction to its vacuum packing. USDA recommends cooking chicken to 165°F.

### 1. Cook quinoa

Preheat oven to 450°F. In a small pot, combine **quinoa**, **1 cup water**, and **¼ teaspoon salt**. Bring to a boil over high heat, then reduce heat to medium low, cover pot, and simmer until water is absorbed and quinoa is tender, about 15 minutes. Remove pot from heat and set aside, still covered, until ready to serve.

### 2. Prepare ingredients

While quinoa cooks, rinse all produce. Halve **bell pepper** lengthwise, discarding seeds and stem; cut lengthwise into ¼-inch strips. Thinly slice **zucchini** crosswise. Cut **pineapple** into ¼-inch pieces. Roughly chop **herbs**, discarding stems. Halve **lime**. Peel **onion**, halve, and thinly slice **1 half**; roughly chop **remainder** (see recipe tip). In a small bowl, stir together **jerk seasoning**, **1 tablespoon olive oil**, and **½ teaspoon salt**.

### 3. Roast chicken and vegetables

Line a baking sheet with aluminum foil. Add **bell pepper**, **zucchini**, and **sliced onion** and toss with **½ tablespoon olive oil** and **½ teaspoon salt**. Arrange in a single layer. Pat **chicken** dry with paper towel and rub all over with **jerk seasoning mixture**. Arrange **chicken** skin-side up on top of vegetables on sheet. Roast until vegetables are tender and chicken is cooked through and no longer pink, 12–15 minutes.

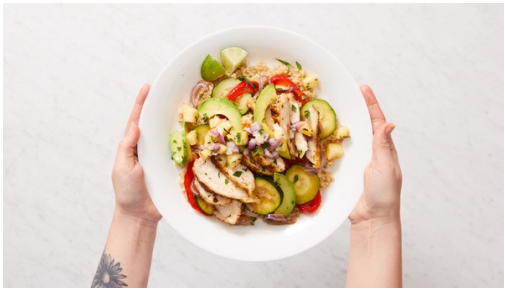

### 4. Make pineapple salsa

While chicken and vegetables roast, in a large bowl, combine **apricot preserves**, **pineapple**, **chopped onion**, **half of herbs**, **¼ teaspoon salt**, and **black pepper** as desired. Add **juice of ½ lime** (or start with a little, taste, and add more as desired) and toss well to combine. Cut **remaining lime** into wedges for serving.

### 5. Prepare avocado

Halve **avocado** and discard pit; carefully scoop out flesh, discarding skin, then thinly slice. Season with **¼ teaspoon salt**.

### 6. Plate jerk chicken

Once roasted, let **chicken** rest for about 5 minutes, then cut into ¼-inch slices. Divide **quinoa** between serving plates. Top with **sliced chicken**, **roasted vegetables**, **pineapple salsa**, and **avocado**. Garnish with **remaining herbs**, and serve with **lime wedges** for squeezing over. Enjoy!
