Kale Salad

with Smoked Almonds, Parmesan, and Creamy Mustard Vinaigrette

Sometimes, even vegetables need a little TLC. Raw kale can be tough—here, we massage the leaves to soften them up so they soak up even more creamy, tangy vinaigrette. Tart dried cherries and smoked almonds add textural contrast, while shaved Parmesan adds rich, salty notes to this fancy-feeling side dish.

Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

Feel free to make this salad a few hours before serving—if you do, there's no need to massage the kale, as the leaves will become tender by soaking in the dressing. In Step 4, simply toss with the vinaigrette, dried cherries, and half of the Parmesan, then cover the bowl with plastic wrap and refrigerate until ready to serve (this is when you'll add the garnishes).

1. Prepare ingredients

Rinse all produce. Tear **kale** leaves into bite-size pieces, discarding long stems. Using your hands, massage **kale** until beginning to soften, 1–2 minutes (see recipe tip). Roughly chop **almonds**, or leave in bag and gently crush with the bottom of a heavy pan.

2. Make garlic paste

Mince **garlic** and, still on cutting board, sprinkle over **⅛ teaspoon salt**. Using a large knife, carefully scrape over mixture at a 45° angle, pressing down. Repeat until garlic is broken down and a paste forms (see recipe tip).

3. Make vinaigrette

In a large bowl (big enough for the salad), combine **Dijon**, **mayonnaise**, **Champagne vinegar**, and **garlic paste**. Whisking continuously, slowly add **3 tablespoons olive oil** until fully combined. Season with **¼ teaspoon salt** and **pepper** as desired.

4. Toss and serve salad

To bowl with creamy mustard vinaigrette, add **dried cherries**, **kale**, and **half of Parmesan**; toss to coat. Garnish with **smoked almonds** and **remaining Parmesan**. Bring **kale salad** straight to the dinner table and serve family-style. Enjoy!
