Juicy Lucy Burgers

with Cheddar and Honey Mustard Slaw

If you love cheeseburgers, this Minnesotan version should be in your rotation. Rather than melting the cheese on the outside of the patty, the Juicy Lucy's molten cheese core keeps the burger super moist and the bun toasty. Plus, it makes for a pretty epic cheese pull to impress your dinner company.

Recipe tips

Be sure to read through the entire recipe before you begin cooking.

Once stuffed with cheese, the burgers should be about 1 inch thick. Gently press down on the patties to flatten if needed.

Covering the pan allows the burgers to cook all the way through once they've been seared, and helps melt the Cheddar inside. Don't worry if they break open a little.

USDA recommends cooking ground beef to 160°F.

1. Prepare ingredients and make sauce

Rinse **cucumber** and halve lengthwise; scoop out seeds with a spoon, then cut crosswise into 1-inch half-moons. Roughly chop **pickles** and place in a small bowl, along with **ketchup**, **smoked paprika**, **1 packet Dijon mustard**, and **1 tablespoon apple cider vinegar** (save remainder for the next step). Stir to thoroughly combine, then set **burger sauce** aside until Step 6.

2. Make honey mustard slaw

In a large bowl, stir together **whole-grain mustard**, **honey**, **remaining Dijon mustard**, and **remaining apple cider vinegar**, then add **slaw mix** and **cucumber** and toss to thoroughly coat. Set **honey mustard slaw** aside until ready to serve.

3. Form Juicy Lucy burgers

Pat **beef** dry with paper towel and place in a medium bowl, then season with **¾ teaspoon salt** and **pepper** as desired. Using your hands, mix well, then form into 6 equal patties, about ½ inch thick and 4 inches wide. Top **3 patties** with **Cheddar cheese**, dividing evenly and leaving a ½-inch border, then place **remaining patties** on top of cheese, pinching edges together to seal to create 3 cheese-stuffed burgers (see recipe tip).

4. Toast buns

Slice **buns** open horizontally, if they arrived whole. Arrange **buns** cut-side down in a large nonstick pan over medium heat. Toast until light golden and warmed through, 2–3 minutes. Transfer to serving plates, reserving pan for the next step.

5. Cook Juicy Lucy burgers

Heat **1 teaspoon olive oil** in pan from buns over medium-high heat. When oil is shimmering, add **burgers** and sear, without flipping, until browned on bottom, about 4 minutes. Flip and continue searing for 2 minutes, then cover pan (see recipe tip) and cook until burgers are browned and medium rare and cheese centers are melted, 2 minutes more. Transfer **burgers** to a plate.

6. Plate Juicy Lucy burgers

Let **burgers** rest slightly, 2–3 minutes (the cheese inside will be hot!). Then, top **bun bottoms** with **Juicy Lucy burgers**, then **burger sauce**. Finish with **bun tops**. Serve with **honey mustard slaw** and dig in!
