Lamb Gyro Burger

with Herbed Feta Fries

Tonight, we're channeling the spicy, cooling, creamy, and crunchy elements of Greek gyros into burgers. First, we're blending beef and earthy lamb with oregano, coriander, and cumin, then forming the mixture into patties. They're seared to maximum tenderness and tucked into warm pita pockets with quick-pickled red onion, dill yogurt, and lemony romaine and tomato.

- 1 container nonfat Greek yogurt
- 2 ounces feta cheese

You'll need

olive oil
kosher salt
black pepper
baking sheet
aluminum foil
12" large pan with lid

Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

Covering the pan allows the burgers to cook all the way through once they've been seared.

USDA recommends cooking ground beef and lamb to 160°F.

1. Prepare ingredients

Preheat oven to 450°F. Halve **romaine** heart lengthwise; rinse thoroughly; thinly slice **leaves**, discarding stem. Rinse remanining produce. Halve **potatoes** lengthwise. Cut lengthwise into ¼-inch slices, then again into ¼-inch fries. Roughly chop **tomatoes**. Halve **lemon**. Finely chop **dill**, **oregano**, and **parsley** leaves, keeping separate and discarding stems. Peel **onion**, halve, and thinly slice, then place in a small bowl. Pour over **vinegar**. Set aside.

2. Bake fries

On a baking sheet, toss **potatoes** with **1 tablespoon olive oil**, **¼ teaspoon salt**, and **pepper** as desired. Arrange in a single layer and bake until tender and browned, 18–20 minutes. Meanwhile, wrap **pita breads** in foil and set aside until Step 4.

3. Form lamb burgers

In a large bowl, combine **spice mix**, **oregano**, **¾ teaspoon salt**, and **pepper** as desired. Pat **beef and lamb** dry with paper towel and add to bowl with seasoning. Using your hands, mix well, then form into 3 equal patties, about 5 inches wide. Using your thumb, create a dimple on top of each. Transfer foil-wrapped **pitas** to oven to warm until Step 5.

4. Make tzatziki and salad

In a separate small bowl, stir together **yogurt**, **half of dill**, and **1 squeeze lemon juice** to combine. Taste and add **salt** and **pepper** as desired. In a medium bowl, combine **juice of ½ lemon**, **1 tablespoon olive oil**, **¼ teaspoon salt**, and **pepper** as desired. Add **romaine** and **tomatoes** to bowl and toss to combine.

5. Sear burgers and slice pita

Heat **1 teaspoon olive oil** in a large pan over medium heat. When oil is shimmering, add **burgers** and sear until browned on bottom, 4–5 minutes. Flip **burgers**, cover pan, and sear until meat is medium rare, 2–3 minutes more (see recipe tip). Transfer **burgers** to a plate, and set aside. Slice 1 inch off top of warmed **pita breads** and gently open to create a pocket. Save trimmed pita for a snack.

6. Plate lamb gyro burger

Once fries have finished roasting, remove from oven and sprinkle over **feta**, **parsley**, and **remaining dill**. Toss to combine. Drain **onions**, discarding pickling liquid. Spoon **tzatziki** into pita pockets. Divide **lamb gyro burgers**, **pickled onions**, and a spoonful of **salad** among pita pockets. Serve with **herbed feta fries** and **remaining tzatziki** for dipping.
