# Manchego-Mushroom Panini

## with Fig Jam and Arugula

As if you needed another reason to love panini, here's one: The addictive sandwiches make an ideal canvas for testing out cheese pairings. In this repeat favorite, we're matching nutty Manchego with fig jam and roasted cremini mushrooms. To complement the cheese and jam, we're layering on arugula and chopped piquillos (Spanish sweet peppers) for a refreshing note. Sweet and salty perfection? We think so.

## Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

Wiping mushrooms clean instead of rinsing prevents them from absorbing water. They won't brown well if they're too wet.

## 1. Prepare ingredients

Preheat oven to 450°F. Rinse **arugula** and pat dry with paper towel. Rinse **parsley** and roughly chop leaves, discarding stems. Remove and discard **mushroom** stems, wipe caps clean with a damp paper towel, and thinly slice (see recipe tip). Finely chop **piquillo peppers**. Peel **shallots**, halve, and thinly slice.

## 2. Make garlic paste

Mince **garlic** and, still on cutting board, sprinkle over **⅛ teaspoon salt**. Using a large knife, carefully scrape over mixture at a 45° angle, pressing down repeatedly until a smooth paste forms (see recipe tip). Place **¼ teaspoon garlic paste** in a large bowl and reserve for next step.

## 3. Roast mushrooms and shallots

On a baking sheet, toss **mushrooms** and **shallots** with **remaining garlic paste**, **1 tablespoon olive oil**, **¼ teaspoon salt**, and **black pepper** as desired. Arrange in a single layer and roast until tender and lightly browned, 15 minutes.

## 4. Toast bread

While mushrooms and shallots roast, on a separate baking sheet, arrange **bread slices** in a single layer. Drizzle over **olive oil**, then flip. Spread **fig jam** over 2 bread slices. Sprinkle **Manchego** and **mozzarella** over **remaining bread slices**. Transfer to oven with mushrooms and shallots and toast until bread slices are golden and cheese has melted, 6–7 minutes. Remove from oven and set aside.

## 5. Make arugula salad

While bread toasts, add **sherry vinegar** to bowl with reserved ¼ teaspoon garlic paste, along with **half of piquillo peppers**, **1½ tablespoons olive oil**, **¼ teaspoon salt**, and **black pepper** as desired and whisk to combine. Add **arugula** and **parsley** and toss to coat.

## 6. Plate panini

Once toasted, top cheese side of bread slices with **remaining piquillo peppers**, then **roasted mushrooms and shallots**, then a small handful of **arugula salad**. Finish with **remaining bread slices**, fig jam–side down. Halve **Manchego-mushroom panini** and serve with **remaining arugula salad**. Dig in!
