Summer Vegetable Pasta

with Mascarpone and Parmesan

Spiral-shaped rotini is one brilliantly designed noodle: The many ridges catch sauce and hang onto vegetables easily. Tonight, we toss the pasta with a mascarpone and Parmesan sauce, along with sautéed zucchini, summer squash, and cherry tomatoes. Veggie-packed and creamy, it's the kind of simple summer pasta you'll want to keep in your back pocket for a last-minute meal.

Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

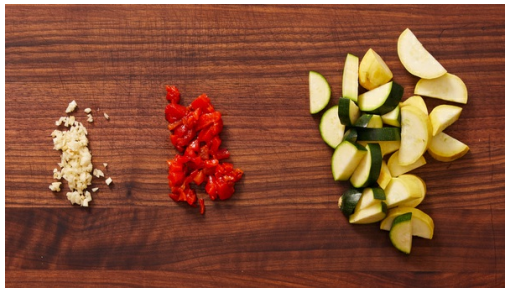

While it cooks, pasta releases starches into the boiling water. Adding some reserved pasta water to the sauce will help it cling to the noodles. It's easiest to reserve this water in a liquid measuring cup, if you have one.

Sautéing the garlic after the vegetables have started cooking ensures it won't burn before they're tender.

What to do with the remaining mascarpone? Stir into a sauce for extra richness, spread over toast, or serve with fruit for a snack.

1. Prepare ingredients

Bring a medium pot of water to a boil over high heat. Rinse all produce. Halve **zucchini** and **summer squash** lengthwise; cut crosswise into ¼-inch half-moons, discarding ends. Roughly chop **roasted red peppers**. Mince **garlic**.

2. Sauté vegetables

Heat **1 tablespoon olive oil** in a large high-sided pan over medium-high heat. When oil is shimmering, add **zucchini**, **summer squash**, and **whole cherry tomatoes**. Sauté, stirring, until lightly browned and softened, about 5 minutes. Season with **½ teaspoon salt** and **black pepper** as desired.

3. Cook rotini

While vegetables cook, season boiling water generously with **salt**. Stir in **rotini** and cook until al dente, 7 minutes. Reserve **½ cup pasta cooking water**, then drain and return to pot, off heat (see recipe tip). Add **1 packet butter** to rotini and toss to coat—this is a great task for a friend. Set aside until Step 5.

4. Make sauce

While rotini cooks, roughly chop or tear **basil** leaves, discarding stems (a friend can also do this part). Push **vegetables** to edges of pan, still over medium-high heat. Add **remaining butter** to center of pan. When butter is foamy, add **garlic** and sauté until fragrant, 2 minutes (see recipe tip). Remove pan from heat. Stir in **half of mascarpone**, **half of Parmesan**, and **half of basil** (see recipe tip). Set aside until rotini is cooked.

5. Toss summer vegetable pasta

Once rotini is cooked, add **roasted red peppers** and **vegetables and sauce** to pot and toss to combine. Adding 1 tablespoon at a time, stir in **reserved pasta cooking water** until sauce is silky and clings to pasta (you likely won't need to use all of the water). Taste and add **salt** and **black pepper** as desired.

6. Plate summer vegetable pasta

Divide **summer vegetable pasta** between serving bowls. Garnish with **remaining basil** and **remaining Parmesan**. Dig in!
