Sweet Potato Tostadas

with Refried Black Beans and Crunchy Slaw

Tostadas are basically open-faced tacos, which means we can load up the crispy tortillas as much as we want. Here, homemade refried black beans hold cheese-smothered sweet potatoes in place. Top off each tostada with a creamy cabbage slaw and a squeeze of lime for a veggie main that feels like it came straight from the cantina. Mix up the margaritas and enjoy!

1. Prepare ingredients

Preheat oven to 450°F. Rinse all produce. Halve **sweet potatoes** lengthwise, then cut crosswise into ¼-inch half-moons. Halve **lime** and cut **1 half lime** into wedges. Roughly chop **cilantro** leaves, discarding stems. Trim and discard **scallion** roots and thinly slice, keeping whites and light greens separate from dark greens. Mince **garlic**. Halve **jalapeño** lengthwise, discarding seeds and stem, and mince **up to half** (see recipe tip).

2. Bake tortillas and sweet potatoes

Line a baking sheet with foil. Add **tortillas** in a single layer, brush each with **¼ teaspoon olive oil**, and season with **⅛ teaspoon salt**. On a separate baking sheet, toss **sweet potatoes** with **1 tablespoon olive oil**, **¼ teaspoon salt**, and **pepper**. Transfer both baking sheets to oven and bake until tortillas are golden, 4–6 minutes. Remove **tortillas**. Continue baking **potatoes** until browned, 10–14 minutes more.

3. Simmer refried beans

While potatoes roast, drain and rinse **beans**. Heat **1 tablespoon olive oil** in a small pot over medium heat. When oil is shimmering, add **spice mix**, **scallion whites and light greens**, and **half of garlic**. Cook, stirring, until fragrant, 3 minutes. Add **beans** and **½ cup water**. Increase heat to high and bring to a boil, then reduce heat to medium and cook, stirring, until thick, 15 minutes. Remove pot from heat.

4. Make slaw

While beans simmer, in a large bowl, whisk together **sour cream**, **juice of ½ lime**, **remaining garlic**, **minced jalapeño** (skip or use half for less heat), **half of cilantro**, **¼ teaspoon salt**, and **pepper** as desired until fully combined. Add **slaw mix** and **scallion dark greens** and toss to coat. Set aside until ready to serve.

5. Finish refried beans and sweet potatoes

Using a fork, still off heat, mash **beans** in pot until smooth. Stir in **¼ teaspoon salt** and **black pepper** as desired to combine. Once roasted, sprinkle **Monterey Jack cheese** evenly over **sweet potatoes** on baking sheet and return to oven. Bake until cheese is melted and beginning to brown, 4–5 minutes.

6. Plate sweet potato and black bean tostadas

Divide **crispy tortillas** between serving plates and spread with **refried black beans**. Top with **roasted sweet potatoes** and **a handful of cabbage-carrot slaw**. Garnish with **remaining cilantro**. Serve with **remaining slaw** and **lime wedges**. Dig in!
