# Thai Butternut and Cauliflower Bowls

## with Snow Peas and Peanut Sauce

Thai peanut sauce is one of our favorite put-it-on-everything condiments: The combination of creamy peanut butter, spicy Sriracha, and savory soy hits all the flavor high notes. Tonight, we drizzle our homemade version over seasonal roasted butternut squash and cauliflower. Snow peas tossed in cilantro and lime add brightness and crunch to these simple, beautiful bowls.

25–35 minutes  560 calories per serving

Plated.
MEALS WORTH MAKING

## Ingredients

- ½ cup jasmine rice
- 2 tablespoons peanuts
- 8 ounces butternut squash
- 4 ounces cauliflower florets
- 1 packet peanut butter
- 1 lime, divided
- 4 ounces snow peas
- ⅛ ounce cilantro, divided
- 1 clove garlic
- 2 packets gluten-free soy sauce
- 1 packet Sriracha

## You'll need

olive oil
kosher salt
black pepper
6" small pot with lid
aluminum foil
baking sheet

## Recipe tips

Be sure to read through the entire recipe before you begin cooking.

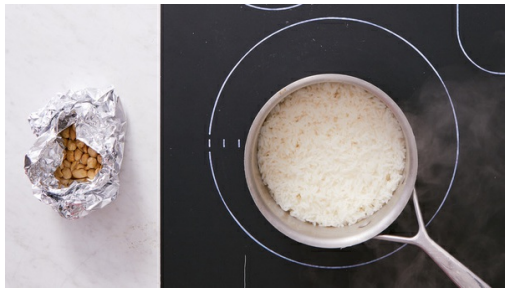

Let the peanut butter come to room temperature in Step 3 so it's easier to whisk in Step 5. You can also place the packet of peanut butter between your palms for 1–2 minutes to soften.

The stems of cilantro are actually quite tender, so we've kept them for extra flavor and aroma. Chop as finely as possible for the best texture.

## 1. Cook rice

Preheat oven to 425°F. In a small pot, combine **rice**, **¾ cup water**, and **¼ teaspoon salt**, and bring to a boil over high heat. Stir once, reduce heat to medium low, cover pot, and simmer until water is fully absorbed, 10–12 minutes. Remove pot from heat and let stand, still covered, for 10 minutes. Meanwhile, place **peanuts** on a small piece of foil. Bring edges of foil together and seal to form a pouch. Rinse all produce.

## 2. Roast vegetables and peanuts

Cut **butternut squash** to ½-inch pieces, if needed. Cut **cauliflower** into 1 inch–wide florets, if needed. On a baking sheet, toss **squash** and **cauliflower** with **1 tablespoon olive oil**, **¼ teaspoon salt**, and **pepper**. Arrange in a single layer; roast until softened, 10 minutes. Then, add **peanut pouch** to baking sheet and continue roasting until vegetables are tender and golden brown and peanuts are toasted, 12–15 minutes more.

## 3. Prepare remaining ingredients

While vegetables roast, place **peanut butter** in a medium bowl (see recipe tip). Halve **lime**. Halve **snow peas** crosswise. Finely chop **cilantro** leaves and stems (see recipe tip). Mince **garlic** and, still on cutting board, sprinkle over **⅛ teaspoon salt**. Using a large knife, carefully scrape over mixture at a 45° angle, pressing down. Repeat until garlic is broken down and a paste forms (see recipe tip). Place **half of garlic paste** in a small bowl.

## 4. Make dressing and toss

To bowl with garlic paste, add **juice of ½ lime**, **1 tablespoon olive oil**, and **¼ teaspoon salt**. Whisk to combine and set aside for Step 6. In a separate medium bowl, toss together **snow peas**, **half of cilantro**, **juice of remaining lime**, **1 tablespoon olive oil**, and **¼ teaspoon salt** to combine. Set aside until ready to serve.

## 5. Make peanut sauce

To bowl with **peanut butter**, add **soy sauce**, **Sriracha** (it's spicy, so feel free to use less), and **remaining garlic paste**. Adding 1 tablespoon at a time, slowly whisk in **2-3 tablespoons warm water** until sauce is pourable. Taste and season with **salt** as desired. Once roasted, carefully open pouch with **peanuts** and roughly chop.

## 6. Plate Thai squash and cauliflower bowls

Fluff **rice** with a fork, stir in **garlic-lime dressing**, and divide between serving bowls. Top with **roasted butternut squash and cauliflower** and **snow peas**. Drizzle over **peanut sauce**. Garnish with **toasted peanuts** and **remaining cilantro**. Dig in!
