

SERVING PLAN 2 SERVING PLAN

Tamale Pie

with Cornbread Crust

Traditional Mexican *tamales* require a bit of time and effort. The seasoned filling is covered in a masa (or corn) dough, then carefully wrapped and steamed in a corn husk. In this easy version, beef is simmered with tomatoes and a blend of spices, then smothered with a cheesy cornbread topping for a Southwest-inspired, one-pan tamale pie.

MEALS WORTH MAKING

Ingredients

- 1 can black beans
- 1 can diced tomatoes
- 2 scallions
- 12 ounces ground beef
- 2 teaspoons Mexican spice mix
- 2 packets unsalted butter
- 2 ounces heavy cream
- ¼ cup cornmeal
- ¼ cup flour
- 1 teaspoon sugar
- ½ teaspoon baking powder
- 2 ounces shredded Cheddar cheese
- 1 8" aluminum tin

You'll need

- 1 egg
- olive oil
- kosher salt
- black pepper
- 10" medium high-sided pan
- baking sheet (optional)

Recipe tips

Be sure to read through the entire recipe before you begin cooking.

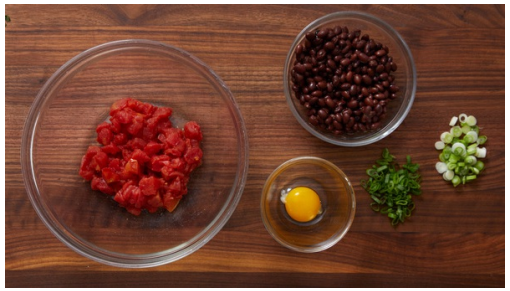

We suggest cracking the egg into a separate bowl before adding to the cornbread batter in Step 4 to prevent egg shells in your tamale.

Using a slotted spoon will drain off any excess fat from the beef. Pouring the fat down the drain might damage your pipes—instead, pour it into a heatproof container once it's cooled slightly, and dispose in the garbage.

USDA recommends cooking ground beef to 160°F.

1. Prepare ingredients

Preheat oven to 450°F. Rinse all produce. Drain and rinse **black beans**. Drain **diced tomatoes**, discarding juices, and place in a medium bowl. Trim and discard **scallion** roots and thinly slice, keeping **whites and light greens** separate from **dark greens**. In a small bowl, crack **1 egg** (see recipe tip). Reshape **aluminum tin** if bent.

2. Brown beef

Pat **beef** dry with paper towel. Heat **1 teaspoon olive oil** in a medium high-sided pan over medium-high heat. When oil is shimmering, add **beef** and season with **½ teaspoon salt** and **pepper** as desired. Cook, breaking up, until browned, 3–5 minutes. Using a slotted spoon, transfer **beef** to bowl with **diced tomatoes** and set aside. Discard excess fat from pan (see recipe tip), then wipe clean for the next step.

3. Sauté aromatics

Heat **1 tablespoon olive oil** in pan from beef over medium heat. When oil is shimmering, add **Mexican spice mix** and **scallion whites and light greens**. Sauté, stirring, until softened and fragrant, 3–4 minutes. Add **beef-tomato mixture** to pan. Cook, stirring, until filling has thickened, 2–3 minutes more. Remove pan from heat.

4. Make cornbread batter

While filling cooks, place **butter** in a medium heatproof bowl and microwave in 10-second intervals until completely melted; alternatively, in a small pot, melt butter over medium heat, then pour into a medium heatproof bowl. Add **heavy cream** and **egg**; whisk to fully combine. Add **cornmeal**, **flour**, **sugar**, **baking powder**, **half of Cheddar**, **¼ cup water**, and **¼ teaspoon salt** to bowl with egg mixture. Whisk until batter comes together, then set aside for next step.

5. Assemble tamale pie

Once filling has thickened, season with **¼ teaspoon salt** and **pepper** as desired. Stir in **1 cup black beans** and **remaining Cheddar**, then transfer to **tin**, spreading evenly. Dollop over **cornbread batter**, then gently spread in an even layer with the back of a spoon or rubber spatula. Save remaining beans for another recipe (we love adding them to a stew or chili).

6. Bake and plate tamale pie

Transfer **tamale pie** to oven (if desired, place tin on a baking sheet to stabilize it in the oven) and bake until cornbread crust is brown and center is set, 13–15 minutes (this is a great time to catch up on dishes). Set aside to cool slightly, 5–10 minutes. Garnish with **scallion dark greens**, divide between serving plates, and dig in!
