Pan-Roasted Chicken

with Red Pepper Sauce, Potatoes, and Cauliflower

The sauce in tonight's dinner is inspired by *romesco*, a classic roasted red pepper sauce from the Catalonia region of Spain. A Basque spice mix and sherry vinegar give it a bright, tangy, slightly smoky flavor, which makes a beautiful pairing for the garlic-rubbed chicken here. It's all joined by potatoes and seasonal cauliflower, which are roasted until tender and slightly caramelized.

No blender or food processor? Finely chop remaining roasted red peppers, then combine in a bowl with remaining sauce ingredients. The texture won't be as smooth, but it'll still taste delicious.

The chicken might have a slight odor as a natural reaction to its vacuum packing. USDA recommends cooking chicken to 165°F.

1. Prepare ingredients

Preheat oven to 450°F. Rinse all produce. Cut **cauliflower** into 1 inch–wide florets, if needed. Halve **potatoes**. Drain **roasted red peppers** and thinly slice. Mince **garlic** and, still on cutting board, sprinkle over **⅛ teaspoon salt**. Using a large knife, carefully scrape over mixture at a 45° angle, pressing down. Repeat until garlic is broken down and a paste forms (see recipe tip).

2. Roast vegetables

On a baking sheet, toss **cauliflower**, **potatoes**, and **half of roasted red peppers** with **2 tablespoons olive oil**, **1 teaspoon salt**, and **black pepper** as desired, then transfer **half** to a separate baking sheet. Arrange in a single layer, placing potatoes cut-side down, and roast, rotating sheets halfway though, until tender, 18–22 minutes total.

3. Season chicken

While vegetables roast, pat **chicken** very dry with paper towel (this will help the skin crisp up in the pan). Rub **chicken skin** with **half of garlic paste**, then season **chicken** all over with **1 teaspoon salt** and **black pepper** as desired.

4. Cook chicken

Heat **1 tablespoon olive oil** in a large pan over medium-high heat. When oil is shimmering, add **chicken** skin-side down. Sear, working in batches and adding oil in between as needed, until skin is golden and easily lifts from pan, 5–7 minutes. Flip and sear until cooked through and no longer pink, 5–7 minutes more. Transfer **chicken** to cutting board and set aside to rest for about 5 minutes.

5. Make red pepper sauce

While chicken cooks, in a blender or food processor, combine **sherry vinegar**, **Basque spice mix**, **remaining roasted red peppers**, and **remaining garlic paste**. With motor running, stream in **¼ cup olive oil** and blend until smooth. Season with **½ teaspoon salt** and **black pepper** as desired (see recipe tip).

6. Plate chicken

Roughly chop **parsley leaves and stems**. Cut rested **chicken** into ¼-inch slices. Toss **roasted vegetables** on baking sheet with **half of parsley**. Divide **roasted vegetables** and sliced **pan-roasted chicken** among serving plates. Drizzle over **red pepper sauce** and garnish with **remaining parsley**. Enjoy!
