Prosciutto Pizza

with Basil and Balsamic Glaze

Though we dearly love our red sauce pizzas, this season calls for a lighter, punchier *pizza bianca*—a white pizza rubbed with olive oil and garlic in place of the usual marinara. But you'll still see tomatoes in this Popular Recipe, roasted on top of melty mozzarella and provolone cheeses. Arugula, basil, and salty strips of *prosciutto* (Italian cured ham) get tart-sweet balance from sticky balsamic glaze.

Recipe tips

Be sure to read through the entire recipe before you begin cooking.

Pizza dough softens as it warms—the longer you let it sit at room temperature, the easier it'll be to roll out. We recommend at least 15 minutes, so that once your prep is finished, your dough is good to go.

Try lifting the dough with your hands, letting gravity help stretch it down. Using your fingers, gently pull the edges, feeling for thicker areas so dough doesn't tear. Once on the oiled baking sheet, the dough will shrink back less, and will be easier to stretch.

1. Prepare ingredients

Preheat oven to 450°F. Remove **pizza dough** from bag and let soften at room temperature (see recipe tip). Rinse all produce. Halve **tomatoes**. Roughly tear or chop **basil** leaves, discarding stems. Halve **lemon**. Pat **arugula** dry with paper towel.

2. Make garlic oil

Mince **garlic** and, still on cutting board, sprinkle over **⅛ teaspoon salt**. Using a large knife, carefully scrape over mixture at a 45° angle, pressing down. Repeat until garlic is broken down and a paste forms. Transfer **garlic paste** to a small bowl and add **2 teaspoons olive oil**. Set **garlic oil** aside until Step 4.

3. Roll out dough

Sprinkle **flour** onto a clean, dry surface, coating a rolling pin or your hands with a thin layer. Roll or stretch **dough** into a rectangular shape, rotating frequently and working from center to edges, until ¼-inch thick (see recipe tip).

4. Bake pizza

Line a baking sheet with **parchment paper** and rub with **1 teaspoon olive oil**. Add **pizza dough**, gently stretching to reach edges of sheet. Rub **garlic oil** evenly on top of dough. Sprinkle over **mozzarella and provolone** and **tomatoes**, leaving a ½-inch border. Season with **⅛ teaspoon salt** and **pepper** as desired. Bake until crust is crisp and light golden and cheese is bubbling, 10–14 minutes.

5. Dress arugula and basil

While pizza bakes, in a medium bowl, whisk together **1 squeeze lemon juice**, **½ tablespoon olive oil**, **⅛ teaspoon salt**, and **pepper** as desired. Add **basil** and **arugula** to bowl with dressing and toss to coat. Use remaining lemon to brighten a glass of water.

6. Finish and plate pizza

Tear **prosciutto** into bite-size pieces and scatter over baked pizza. Top with **arugula and basil** and sprinkle over **Parmesan**. Cut **prosciutto pizza** into slices, drizzle with **balsamic glaze**, and dig in!
