Grilled Chicken Cobb Salad

with Caramelized Mushrooms

The Cobb salad is a much-loved classic for good reason. Invented by Hollywood's Brown Derby Restaurant in the 1920s, the hearty dish features avocado, chicken, blue cheese, and tomatoes over lettuce. Here, we're grilling the chicken and adding crispy roasted mushrooms for a smoky touch. And we can't resist drizzling over our tried and true Greek yogurt ranch dressing.

Recipe tips

Be sure to read through the entire recipe before you begin cooking.

No outdoor grill or grill pan? When seasoning the chicken in Step 3, you can skip rubbing with oil; then, heat 1 tablespoon olive oil in a large pan over medium-high heat. When oil is shimmering, add chicken; sear, working in batches and adding oil in between as needed, until cooked through and no longer pink, 6 minutes per side.

The chicken might have a slight odor as a natural reaction to its vacuum packing. USDA recommends cooking chicken to 165°F.

1. Prepare ingredients

Preheat oven to 425°F. Preheat grill to medium heat, if using (see recipe tip). Remove and discard **mushroom** stems, then wipe caps clean with a damp paper towel and cut into ¼-inch slices. Halve **little gem** lengthwise and rinse thoroughly, then thinly slice leaves crosswise, discarding tough stems. Rinse remaining produce. Halve **tomatoes**. Thinly slice **chives**. Halve **lemon**.

2. Roast mushrooms

In a large bowl, whisk together **hickory barbecue seasoning**, **brown sugar**, and **1½ tablespoons olive oil** to combine. Add **mushrooms** to bowl and toss to coat, then spread on a baking sheet in a single layer. Roast until caramelized and crispy, about 15 minutes, then set aside until ready to serve.

3. Grill chicken

While mushrooms roast, if using a grill pan, place it over medium-high heat now. Pat **chicken** dry with paper towel and rub all over with **1 tablespoon olive oil**, **1 teaspoon salt**, and **pepper** as desired. When grill is just smoking, add **chicken** and cook until lightly charred, cooked through, and no longer pink, 4–6 minutes per side. Transfer to a plate and set aside to rest for about 5 minutes.

4. Make Greek yogurt ranch

While chicken rests, in a large bowl (big enough for the salad), whisk together **mayonnaise**, **Greek yogurt**, **chives**, **juice of 1 lemon**, **2 tablespoons water**, **¼ teaspoon salt**, and **pepper** as desired to combine. Transfer **half of Greek yogurt ranch** to a small bowl and set aside for serving.

5. Slice chicken and prepare avocados

Once rested, cut **grilled chicken** into ¼-inch slices. Halve **avocados** and discard pits; carefully scoop out flesh, discarding skins, then cut into small dice.

6. Plate grilled chicken Cobb salad

Add **little gem** to large bowl with ranch; toss to coat, then divide among serving plates. Top with **caramelized mushrooms**, **tomatoes**, **grilled chicken**, and **sliced avocado**. Garnish with **blue cheese**, drizzle over **reserved Greek yogurt ranch**, and enjoy!
