

Grilled Vodka Sauce Pizza

with Goat Cheese and Grilled Vegetables

After rave reviews, we've brought this recipe back–with a summertime twist. Instead of the traditional oven treatment, we're cooking the pizza (and veggie toppings) on the grill. Vodka and heavy cream enhance the tasty marinara sauce, which is topped with grilled vegetables, goat cheese, and mozzarella.

Recipe Tips

Be sure to read through the entire recipe before you begin cooking.

No grill? No worries! Preheat oven to 450°F. Place vegetables in a single layer on a baking sheet and roast for about 15 minutes. Assemble the pizza and bake for 15-20 minutes.

If you have trouble rolling the pizza dough, let it temper at room temperature for 5 minutes before continuing.

If you're not using vodka, skip the stove! Stir together pizza sauce and heavy cream in a medium bowl; it'll warm up during grilling.

1. Prepare Ingredients

Preheat grill or grill pan to medium-high heat (see Recipe Tip). Peel **onion** and thinly slice as much as desired. Rinse remaining produce. Cut **zucchini** crosswise into ¼-inch slices. Halve **bell pepper** lengthwise, discarding seeds, and thinly slice into strips. Rinse **basil** and tear leaves into bite-size pieces, discarding stems.

2. Grill Vegetables

In a large bowl, toss **onion**, **zucchini**, and **bell pepper** with **1 tablespoon olive oil**, **½ teaspoon salt**, and **pepper** as desired. Add vegetables to grill in a single layer and cook until lightly charred, about 5 minutes per side. Transfer to a plate and set aside.

3. Roll Out Dough

While vegetables grill, dab **1 teaspoon olive oil** onto a clean dry surface. Divide **pizza dough** into 2 equal pieces and place onto oiled surface. Using a rolling pin or the heels of your hands, roll and stretch each piece to about ¼-inch thickness (see Recipe Tip).

4. Season Sauce

Place **pizza sauce** in a small pot over medium heat and cook until warmed through, about 3 minutes (see Recipe Tip). Stir in **heavy cream** and **vodka**, if using. Cook until flavors are melded, about 3 minutes more. Remove pan from heat.

5. Grill Pizza

Wipe grill from vegetables clean. Rub **2 tablespoons olive oil** over both sides of pizza dough pieces, dividing evenly. When grill is just smoking, add **pizza dough** in a single layer and cook, working in batches if necessary, until charred on both sides, about 4 minutes per side, then remove from grill.

6. Plate Pizza

Spread **sauce** on top of each pizza, leaving a ½-inch border. Add **cheese mix** and **grilled vegetables**, sprinkling evenly. Return pizza to grill, cover with lid or aluminum foil, and cook until cheese is melted, 5-10 minutes. Garnish with **basil**. Cut **pizza** into slices and commence the feast. Refrigerate any leftovers in an airtight container for up to 3 days.
