This week, Chef Shanna has created a hearty, summery, flavor-packed salad for the books. She seasons chicken breasts with cumin, chili powder, and paprika, then pan-sears them until tender. Meanwhile, spiced black beans and corn roast alongside homemade tortilla strips to add complex flavor and texture. Seasonal grape tomatoes, crisp romaine, avocado, and a creamy cilantro-lime dressing round out this epic Southwest-inspired dinner.

Cooking Steps

Prepare ingredients
Preheat oven to 425ºF. Halve **romaine heart** lengthwise and rinse thoroughly, then thinly slice leaves crosswise, discarding tough stem. Place in a large bowl. Rinse remaining produce. Halve **tomatoes**and add to bowl with romaine. Roughly chop **cilantro**leaves and stems. Drain and rinse **black beans**. Measure out **1 cup beans** for Step 3; save remainder for another dinner (like a big tray of nachos).

Cook chicken
Pat **chicken** dry with paper towel and season all over with **half of spice mix**, **½ teaspoon salt**, and **pepper**. Heat **2 teaspoons olive oil** in a medium pan over medium-high heat. When oil is shimmering, add **chicken** skin-side down and sear until skin is golden and easily lifts from pan, 6 minutes. Flip and sear opposite side until cooked through and no longer pink, about 6 minutes more. Transfer **chicken** to a plate and set aside to rest.

Crisp tortillas and roast beans
While chicken cooks, stack **tortillas** and thinly slice into strips, then halve. On 1 half of a baking sheet, toss **tortilla strips** with **2 teaspoons olive oil**, **¼ teaspoon salt**, and **pepper** as desired; arrange in a single layer. On other half, toss **corn** and **black beans**with **remaining spice mix**, **2 teaspoons olive oil**, **⅛ teaspoon salt**, and **pepper**. Roast until tortillas are golden and just crisp and beans and corn are warmed through, 6-8 minutes.

Make cilantro-lime crema
While beans and tortillas cook, if you have a zester and want to infuse your crema with even more lime flavor, rinse **lime** and zest **up to ½** into a blender or food processor, then halve. Add **sour cream**, **cilantro**,**juice of 1 lime**, **¼ teaspoon salt**, and **pepper** as desired; blend until smooth. Set aside. Halve **avocado**and discard pit; carefully scoop out flesh, discarding skin, then thinly slice. Set **avocado** aside until ready to serve.

Toss salad
Once rested, cut **chicken** into ¼-inch slices. To large bowl with romaine and tomatoes, add **roasted corn and black beans** and **half of crispy tortillas**. Add **cilantro-lime crema** and gently toss to combine.

Plate chicken salad
Divide **Southwestern chicken salad** between serving bowls. Top with **sliced chicken** and **avocado**. Crumble **remaining tortilla strips** over top. Enjoy!
