Cooking Steps

Cook quinoa
In a small pot, combine **quinoa**, **1 cup water**, and **¼ teaspoon salt**. Bring to a boil over high heat, then reduce heat to medium low, cover pot, and simmer until water is absorbed and quinoa is tender, about 15 minutes.

Prepare ingredients
While quinoa cooks, rinse all produce. Roughly chop **mint** leaves, discarding stems. Halve **grape tomatoes**. Cut **cucumber** into ½-inch dice. Mince **garlic**. In a large bowl, toss **cucumber** and **half of tomatoes** with **⅛ teaspoon salt**(seasoning early helps draw out their flavorful juices). Set aside.

Toast pine nuts
Place **pine nuts** in a medium pan over medium-high heat. Toast, stirring, until golden and fragrant, 2-4 minutes. Transfer **pine nuts** to cutting board and roughly chop. Reserve pan, off heat, for the next step.

Cook shrimp
Pat **shrimp** dry with paper towel and season with **¼ teaspoon salt** and **pepper** as desired. Return pan from pine nuts to medium-high heat with **2 teaspoons olive oil**. When oil is shimmering, add **garlic** and sauté, stirring, until fragrant, 1 minute. Add **shrimp** and cook, stirring occasionally, until opaque and just pink, 4-6 minutes total. Using a slotted spoon, transfer **shrimp** to bowl with cucumber and tomatoes; toss to combine.

Make vinaigrette and finish quinoa
In a small bowl, whisk together **white wine vinegar**, **½ packet honey**(discard remainder), **2 tablespoons olive oil**, **¼ teaspoon salt**, and **pepper** as desired to make vinaigrette. Once quinoa is cooked, remove pot from heat and stir in **half of vinaigrette** and **remaining grape tomatoes**. Cover pot again to keep warm until ready to serve.

Plate shrimp salad
Add **mint** and **toasted pine nuts** to bowl with **remaining vinaigrette** and whisk to combine. Divide **quinoa** between serving bowls. Top with **shrimp, cucumber, and tomato salad**. Drizzle over **pine nut–mint vinaigrette** and dig in!
