Southwestern Turkey-Stuffed Peppers

with Pumpkin Seed and Arugula Salad

When cut in half, a bell pepper becomes the perfect “bowl” for stuffing with a hearty filling and topping with glorious melty cheese. Here, we've incorporated the flavors of a Southwestern turkey chili, with spices, tomato, and corn—plus quinoa for heft and texture. On the side, pumpkin seeds add delicate nuttiness, contrasting crunch, and dark green color to a simple salad.

1. Cook Quinoa

Preheat oven to 450°F. In a small pot, combine **quinoa**, **1 cup water**, and **¼ teaspoon salt**, and bring to a boil over high heat. Reduce heat to medium low, cover, and simmer until water is evaporated and quinoa is tender, about 15 minutes. Remove pot from heat and set aside, still covered, until Step 4.

2. Prepare Ingredients

While quinoa cooks, rinse **bell peppers** and halve lengthwise through stems, discarding seeds and pith. (We like keeping the stems attached to our stuffed peppers for a classic and eye-catching presentation, but don't worry about trimming them perfectly. As long as the peppers are still intact so no filling leaks out, you're good to go!) Peel **onion** and cut into small dice. Rinse **arugula**.

3. Cook Onion and Roast Peppers

Heat **1 tablespoon olive oil** in a medium pan over medium heat. When oil is shimmering, add **spice mix** and **onion** and cook, stirring occasionally, until onion is soft, 5 minutes. Meanwhile, rub **bell peppers** all over with **1 tablespoon olive oil**, **¼ teaspoon salt**, and **black pepper** as desired. Arrange cut-side down on a baking sheet, and roast until slightly softened, about 5 minutes. Set aside.

4. Cook Turkey-Quinoa Filling

Increase heat under pan with onion to medium high, and add **turkey**, **½ teaspoon salt**, and **black pepper** as desired. Cook, breaking up, until meat is browned, about 5 minutes. Then, add **corn** and **tomato purée** and cook to warm through, 3 minutes more. Remove pan from heat. Add cooked **quinoa** and **half of Monterey Jack**, season with **¼ teaspoon salt** and **black pepper** as desired, and stir to combine.

5. Stuff and Bake Peppers

Flip roasted **bell peppers** cut-side up, and stuff evenly with **turkey-quinoa filling** (see Recipe Tip). Sprinkle over **remaining Monterey Jack**. Return to oven and bake until cheese is golden, about 5 minutes more. Meanwhile, in a medium bowl, whisk together **sherry vinegar**, **2 tablespoons olive oil**, **⅛ teaspoon salt**, and **black pepper** to combine.

6. Toss Salad and Plate Peppers

Pat **arugula** dry with paper towel and add to bowl with vinaigrette. Add **pumpkin seeds** and toss to combine, then divide **salad** between serving plates. Serve with **Southwestern turkey-stuffed peppers**, and enjoy!
