Smoky Chickpea and Kale Salad

with Roasted Corn, Tomato, and Feta

A duo of greens makes this salad especially satisfying: Hearty kale becomes tender as it marinates in a garlicky dressing, and sliced romaine adds extra crunch. We toss them with roasted corn, tomatoes, and spiced chickpeas for even more color and texture, then finish with tangy crumbled feta. Serve this refreshing summer salad as a side at your next outdoor barbecue for all your veggie-loving friends.

Need a trick for removing corn kernels from the cob? Lay the cob flat on your cutting board and carefully slice kernels off 1 side. Rotate cob and continue slicing to remove kernels on all sides.

What to do with the remaining chickpeas? Season with your favorite spices and sauté for 5–6 minutes until crisp for a snack.

1. Prepare ingredients

Preheat oven to 450°F. Halve **romaine heart** lengthwise and rinse thoroughly, then thinly slice leaves crosswise, discarding tough stem. Rinse remaining produce. Stack **kale** leaves and roughly chop, discarding long stems. Sprinkle **¼ teaspoon salt** over kale leaves and, using your hands, massage until beginning to soften, 1–2 minutes. Shuck **corn**, discarding husks and silk; slice off **kernels**, discarding cob (see recipe tip). Halve **lemon**.

2. Season chickpeas and vegetables

Drain and rinse **chickpeas**. Pat **1 cup chickpeas** dry with paper towel (see recipe tip). On 1 half of baking sheet, toss **chickpeas** with **smoked paprika**, **½ tablespoon olive oil**, **¼ teaspoon salt**, and **pepper** as desired. On other half of sheet, toss **whole grape tomatoes** and **corn** with **½ tablespoon olive oil**, **¼ teaspoon salt**, and **pepper** as desired.

3. Roast chickpeas and vegetables

Roast **chickpeas and vegetables** until chickpeas are browned and crisp and corn and tomatoes have softened, 12–15 minutes.

4. Make garlic paste

While chickpeas and vegetables roast, mince **garlic** and, still on cutting board, sprinkle over **⅛ teaspoon salt**. Using a large knife, carefully scrape over mixture at a 45° angle, pressing down. Repeat until garlic is broken down and a paste forms (see recipe tip). Transfer **garlic paste** to a large bowl (big enough for the salad).

5. Make dressing and toss kale

To bowl with garlic paste, add **mayonnaise**, **mustard**, **juice of 1 lemon**, **⅛ teaspoon salt**, and **pepper** as desired and whisk to combine. Whisking continuously, add **2 tablespoons olive oil** to fully combine. Add **kale** to bowl with dressing and toss to coat, then set aside to marinate at room temperature until ready to serve (this will help further soften the kale leaves so it can soak up the dressing).

6. Plate smoky chickpea and kale salad

Once chickpeas and vegetables are roasted, add **romaine** to bowl with **kale** and toss to coat. Divide **salad** between serving plates. Top with **smoky chickpeas** and **roasted corn and tomatoes**. Cut **chives** into 1-inch pieces and sprinkle over top. Garnish with **feta** and dig in!
