

Oregano Chicken Kebabs

with Creamy Basil Corn

Creamed corn is a delicious staple, made even better with peak season produce. For a lighter yet still luscious texture, we're swapping cream out for milk, and adding in grated corn, which lends even more richness. Served alongside lemony chicken and bell pepper skewers, this cream(less) corn will definitely become a favorite!

Recipe Tips

Be sure to read through the entire recipe before you begin cooking.

Grating corn produces a creamy liquid that adds richness to the dish.

No grill or grill pan? No worries! Heat a large pan over medium-high heat. When oil is shimmering, add kebabs in a single layer, working in batches if necessary. Cook until kebabs are browned on outsides and no longer pink , 5-6 minutes per side.

The chicken might have a slight odor as a natural reaction to its vacuum packing.

USDA recommends cooking chicken to 165°F.

1. Prepare Ingredients

Soak **skewers** in water. Rinse all produce. Cut **bell pepper** into 1-inch pieces, discarding seeds. Halve both **lemons**; cut **1 lemon** into ¼-inch slices. Mince **oregano** leaves, discarding stems. Mince **garlic**. Shuck **corn** and grate kernels from **1 ear** over a medium bowl; slice off whole kernels from **remainder** into a separate bowl (see Recipe Tip). Pick **basil** leaves, discarding stems. Pat **chicken** dry with paper towel, and cut into 1-inch cubes.

2. Marinate Chicken

Preheat grill or grill-pan to medium-high heat (see Recipe Tip). In a large shallow bowl or resealable plastic bag, combine **juice of halved lemon**, **oregano**, **garlic**, and **2 tablespoons olive oil**. Add **bell pepper**, **sliced lemon**, and **chicken**, turn to coat, and set aside to marinate for about 10 minutes at room temperature.

3. Sauté Corn

While chicken marinates, heat **1 tablespoon olive oil** in a medium pan over medium heat. When oil is shimmering, add **whole corn kernels** and sauté until bright yellow, about 3 minutes. Add **grated corn kernels** and half of **milk**, stirring to combine. Reduce heat to low and simmer until liquid is reduced slightly, about 5 minutes more. Season with **¼ teaspoon salt** and **pepper**. Remove pan from heat, cover to keep warm, and set aside.

4. Assemble Kebabs

Remove **chicken and vegetables** from marinade, allowing excess to drip off. Thread skewers, alternating **bell pepper**, then **chicken**, then **lemon**.

5. Grill Kebabs

Season kebabs all over with **½ teaspoon salt** and **pepper**. Brush grill with **1 tablespoon olive oil**. When oil is shimmering, add **kebabs** to grill in a single layer, working in batches if necessary. Cook, flipping as necessary, until kebabs are browned on all sides and no longer pink, 10-12 minutes total.

6. Plate Kebabs

Return pan with **corn** to medium heat and warm through, about 1 minute, then remove pan from heat and stir in **basil**. Divide **kebabs** evenly between 2 plates and serve with **corn**. Enjoy your summery dinner!
